Dear Mr. Lu,

Thank you for your email. As you may recall, Judge Wolf's order on the Motion to Dismiss noted that he would be setting a schedule for this matter (p. 26 of his decision), but he has yet to do so. Due to this procedural uncertainty, I had delayed filing our Answers, but thought that it might be worthwhile to do so.

I would kindly ask you refrain from filing your motion to strike as it is obvious that this case will proceed through discovery and summary judgment, and possibly beyond. That said, I completely understand your position.

Thank you,

Caroline O. Driscoll

This is a pre-motion consultation under Local Rule 7.1. I intend to file a motion to strike tardy answers.
