ORDER

January 22, 2015

TALWANI, D.J.

The court previously allowed a stay of this litigation pending a decision by the United States Patent and Trademark Office Patent Trial and Appeal Board (the “Board”) regarding whether to take up a Covered Business Method review of the patent-in-suit.<sup>1</sup> The parties filed a joint status report on December 1, 2014, which indicated that the Board has initiated the requested Covered Business Method review.<sup>2</sup>

Accordingly, the court hereby orders that the stay of this litigation be extended until ten (10) days after the Board issues a final written decision pursuant to 35 U.S.C. § 328(a) regarding the currently pending Covered Business Method review. The parties are further directed to file a joint status report within five days of the Board’s decision informing the court of that decision and its impact on this litigation.

IT IS SO ORDERED.
