Civil Action No. 14-12389-IT

ORDER

January 7, 2015

TALWANI, D.J.

Because the court finds that the arguments made in Defendant’s Reply in Support of its Motion to Dismiss Plaintiff’s Amended Complaint [#48] and Plaintiff’s proposed Memorandum of Law in Opposition to Defendant’s Sur-reply Brief [#50] will not assist the court in resolving the pending motion to dismiss in light of the prior briefing in this matter, the court hereby STRIKES Defendant’s reply brief and DENIES Plaintiff’s Motion to Respond to Defendant’s Sur-reply Brief [#49].

IT IS SO ORDERED.

United States District Judge
