Our Progress

So far, we've eliminated some of the biggest problems that derail the creative process by creating powerful, cloud-based technology solutions for musicians.

TECHNOLOGY
100,000+ music makers in over 122 countries use Gobbler across two desktop clients, a mobile app, and inside popular DAWs like Pro Tools

PARTNERSHIPS
We've established key partnerships with Avid, Cakewalk, Soundcloud, and ~80% of music workstation software companies.
