Hi Ms. Pedrick,

I stopped by at your office yesterday to drop off a copy of my paper and thank you for helping me get the data, but you we're there, so I guess email will have to suffice.

I just want to say thank for everything you've done this year (the paper being only your most recent deed!) and have a great summer!

I've attached the paper here, in case you're interested.

Best,  
[REDACTED]
