Hello, everyone,

On behalf of the E-Board, we are looking forward to seeing everyone at the Spring ABAFAOILSS meeting hosted by Princeton University on May 12-13, 2011!

The attached agenda is an almost-final draft; we anticipate only minor adjustments, and we will give you a final agenda as soon as it is available.

Included in this email is information to assist you as you prepare for the meeting.

(1) Registration: Please register online at <https://ugadm.princeton.edu/abaf/register.php>. If you have questions related to logistics about the Princeton meeting and the Anniversary event, please feel free to contact Vima Codner (codner@princeton.edu) or Robyn Henry (rkent@princeton.edu). If you have questions specifically related to travel or parking, please feel free to contact Andy Ramirez (ahardor@princeton.edu).

(2) Speaker: On Thursday, May 12, our speaker will be Angel Harris, Assistant Professor in the Department of Sociology at Princeton. Professor Angel Harris' interests are on how perceptions about the opportunity structure and the system of social mobility influence the extent to which people invest in schooling. His research focuses on the social psychological determinants of the racial achievement gap. Specifically, he examines factors that contribute to African Americans' lower academic achievement and Asian Americans' higher academic achievement relative to Whites.

(3) Meeting minutes: Your registration packet will include, in addition to other items, a copy of the minutes from the last meeting. We encourage you to review these minutes prior to the start of the meeting.

(4) Meeting topics: Please check with your Deans and Directors about the

ABAFAOILSS Round Robin Directions

1. The Institutional Liaison (IL) for each college/university and Associate Members representing institutions will report their application/admit/enroll numbers for the corresponding application season.
2. If an IL or reporting Associate Member does not have the numbers on the day of Round Robin, he/she will need to report the numbers on the next day or he/she cannot participate in Round Robin. He/She will be asked to leave the room if numbers are not available by the time Round Robin begins.
3. Associate Members and non-reporting institutions will be asked to leave the room as the institutional numbers are reported.
4. ILs will report on applications, admits and enrolls for the following domestic groups (if they apply): Black, Asian, Native, Latino/a (Mexican, Puerto Rican, Cuban, Other), Multiracial, Other and Total Class. Institutions may report Latino/Latina as one group in lieu of breaking it down depending on their institutional policies. The numbers would apply to the corresponding application season.
5. The report out should include total applications for EA/ED/RD and the multiple rounds (i.e. ED II).
6. After the numbers are reported, Associate Members, non-reporting institutions and ILs who do not report numbers during Round Robin will re-join the membership for an application trends discussion.
7. ILs and Associate Members who are employed at a college/university will briefly provide application trends, such as decreases/increases to any of the above mentioned groups, within their applicant pools and report any changes in their recruitment efforts.
8. The Round Robin is confidential and, therefore, it is expected that the information presented will not be distributed.
9. In addition to trends, ILs and Associate Members will report any new openings within their offices.
