PRELIMINARY INJUNCTION

GORTON, J.

For the reasons set forth in the Memorandum and Order entered herewith, defendant Brady Esch, together with his agents, successors, representatives and assigns acting under his direction, are hereby enjoined from making, developing, manufacturing or selling any product that discloses or uses any confidential information of the plaintiffs, including in particular any information that relates to:

- 1) the three-wire catheter system disclosed in the patent applications filed by Esch with the United States Patent and Trade Mark Office ("USPTO");
- 2) the reuse limiter mechanism from Covidien's Cattleya project;
- 3) specifications for the rectangular stainless steel heating coil element from Covidien's Cattleya project;
or

- 4) any other system, device or method described in the provisional patent application that Esch filed with the USPTO after he left the employ of Covidien.

Pursuant to Fed. R. Civ. P. 65(c), plaintiffs shall post a security bond in the amount of Three Hundred Twelve Thousand Dollars (\$312,000) as soon as reasonably practicable whereupon this injunction shall be deemed in full force and effect.

So ordered.
