PETITION TO CHANGE INVENTORSHIP UNDER 37 C.F.R. 1.48(a)

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Petition is submitted under 37 CFR 1.48(a) to correct inventorship in the above-referenced application.

It is hereby requested that C. Vinay Kumar Singh be added as an additional inventor in this application.

This petition is accompanied by:

- (a) A declaration, including Verified Statement of Facts and Consent of Change of Inventorship Under 37 C.F.R. 1.48(a) by the original named inventors establishing when the error without deceptive intent was discovered and how it occurred;
- (b) A declaration of omitted inventor, C. Vinay Kumar Singh;
- (c) A copy of the combined declaration and power of attorney signed by each of the actual inventors as required under 37 C.F.R. 1.63. The original Declaration was filed with the U.S. Patent and Trademark Office in a response to the Notice to File Missing Parts dated December 6, 1996.

(d) Consent of Assignee; and

(e) The commissioner is authorized to withdraw from Deposit Account No. 23-2415 (Docket No. 18041.701) the fee of \$65.00 to cover the cost of this petition as well as any additional fee or credit for overpayment as deemed appropriate. A duplicate of this paper is enclosed.

The above-identified application was filed on October 8, 1996, and C. Vinay Kumar Singh was inadvertently omitted as an inventor.

In October 1996 of this year, I was involved in the preparation and filing of the above-mentioned application. At the time this application was being prepared and filed, I did not realize that the claims as filed included contributions for which C. Vinay Kumar Singh should be named as a co-inventor. Less than a month after filing the patent application, the originally named inventors had occasion to carefully review the patent claims. At that time, it was brought to my attention that C. Vinay Kumar Singh should be named as a co-inventor. I then promptly prepared this petition to add Mr. Singh as a co-inventor.

The omission of C. Vinay Kumar Singh as a joint inventor of the above-referenced patent application was done with no deceptive intent.

For these reasons, favorable action on this petition is respectfully solicited.

Respectfully submitted,

2. Gilbert Borman contacted HCL America to discuss certain difficulties associated with conducting Internet searches. The originally named inventors, along with C. Vinay Kumar Singh, an engineer employed by HCL Consulting, worked on solutions to some of these difficulties which are described in the above mentioned application.

3. Around October 1996, Gilbert Borman, Rajat Bhatnagar and Charles C. Cary, patent counsel, were involved in preparing and filing the above-mentioned application. Due to the fact Mr. Singh was in India, he did not participate in the preparation of the application. At the time the application was filed, we did not realize that C. Vinay Kumar Singh had not been named as a co-inventor. Less than a month after filing the patent application, we had occasion to carefully review the patent claims and realized that C. Vinay Kumar Singh had not been named as a co-inventor.
