Re: 8 Mile Style, LLC v. Apple, Inc.

Dear Richard:

On Wednesday, we received a production of documents Bates-labeled 8M-000747-846. This production consisted of almost a hundred pages of mechanical licenses, both signed and unsigned, that relate to Eminem compositions. The documents are responsive to several Requests contained within Defendants First Set of Requests for Production, including but not limited to Requests 6-10, 13 and 17. These Requests were served on both 8 Mile Style and Martin Affiliated on February 2, 2008, and 8 Mile Style agreed to produce documents in response.

I write to ask why these documents are only now being produced. They are clearly responsive to requests served in the first few days of February. Discovery closed in this matter on Monday. We have already conducted key depositions, including the deposition of Joel Martin, who signed many of the documents produced in this most recent collection.
