SUMMARY

Amendment to IPOS held on 12/6/07:

This Worker facilitated Micah's Individual Plan of Service meeting today at Oakland University. Micah chose to invite many of his friends, teachers, support staff, administrators and family to assist with planning and development of goals for the coming year. The method that I should use to address concerns, disagreements or complaints were discussed with me today. I may choose to use the informal process, the formal process or both at the same time. The informal process is the MORC grievance procedure. To start this process I should talk with one of the following MORC personnel: Kim Dembrosky, Supports Coordinator / Case Manager, at (248)276-8093; Candace Cranston, Support Coordination Supervisor, at 248-276-8017; JoAnn Mayernik, Director of Support Coordination, at 248-276-8016; or Linda Knox, Ombudsman, at 586-263-8644. I may also contact Community Mental Health (CMH) for assistance. The formal process is a request for an official resolution of my complaint by CMH and/or assistance for the MORC personnel listed above or by calling CMH or DCH. The appeal request may be submitted in writing or by phone. My options were explained in both oral and written format on this date.

I felt I was able to explore options through the preplanning and planning process. I received a copy of the MORC Array of Services, which I reviewed with my Support Coordinator. Should I later have additional questions I will contact my Supports Coordinator for further discussion. I am in agreement with the plan and believe that it represents the necessary supports needed for achieving my goals and dreams. I acknowledge receiving a copy of the MORC, Inc. Grievance Procedure, Michigan Department of Community Health "Your Rights" booklet, CMH Due Process pamphlet along with an oral and written explanation of my appeal rights.
