**PLAINTIFF'S SUPPLEMENTAL ANSWERS TO
DEFENDANT'S THIRD SET OF INTERROGATORIES**

NOW COMES Plaintiff, The Weather Underground, Inc. ("Plaintiff"), by and through it's counsel, Traverse Legal, PLC, and supplements its answers to Defendant's Third Set of Interrogatories as follows:

GENERAL OBJECTIONS

1. Plaintiff objects to Defendant's "Instructions" and "Definitions" to the extent they purport to impose discovery obligations that differ from or exceed the discovery obligations imposed by the Federal Rules of Civil Procedure or the local rules.
2. Plaintiff objects to these Interrogatories to the extent that they seek information protected by the attorney-client privilege, the work-product privilege, or any other privilege, protection, or immunity applicable under the governing law.
3. To the extent Defendants seek user information, such as emails, logins, user data or other information subject to privacy terms or laws, Plaintiff will produce responsive information subject to a separate appropriate agreement which will protect that highly sensitive and private information.
4. These General Objections are made, to the extent applicable, in response to each of the Requests for Production as if the objections were fully set forth therein. Plaintiff responds to each of the Requests for Production based upon information and documentation available as of the date hereof and reserves the right to supplement and amend their responses.

INTERROGATORIES

Interrogatory No. 13: State each and every domain name for which Navigation Catalyst Systems, Inc., was or is a registrant thereof which You believe infringes one or

more of your trademarks or service marks or which You believe violates any intellectual property right You believe you have in any way, and, for each domain, state the date of registration.

Response: Navigation Catalyst Systems, Inc. still has not produced a complete list of domain names it owns, or has owned, and thus the below produced list may not be complete. Plaintiff reserves the right to supplement this response once Navigation Catalyst Systems, Inc. provides its entire historical domain portfolio.

Notwithstanding the above, below is a list of known domain names for which Navigation Catalyst Systems, Inc. was, or is, the registrant along with the estimated registration date.
