Alan Steremberg

President

Alan Steremberg worked on the original Weather Underground project at the University of Michigan, where he also started Student Mac Programmers, a student organization which gathered talented students in the U of M community together. Alan graduated with a BSE in Computer Engineering, Alan moved on to work at Apple Computer and then a small 3D internet startup in Seattle.

Alan Co-founded the Weather Underground in 1995 as Director of Technology while Alan completed his masters degree in Human Computer Interaction from Stanford University. In 1998, Alan was appointed President. He currently lives in San Francisco and rollerblades to work.

Chris Schwerzler

Director

Chris joined the other founders of the Weather Underground at the University of Michigan, where he received his BSE degree in Computer Engineering.

Chris moved from Ann Arbor to Silicon Valley in 1996 and worked at Adobe Systems on Acrobat until 1998, when he helped found the Weather Underground Inc.'s San Francisco office. When not writing new features and designing scalable systems, Chris enjoys playing guitar, and traveling to new places.

Chuck Prewitt
Vice President of Business Development

Chuck Prewitt took charge of advertising sales for the Weather Underground in 1997 after gaining experience in web advertising at the advent of CBS.com, where Chuck was involved in integrating the web, network TV, and syndicated sales. He has worked with both startups and "Fortune 500" companies including various TV affiliates, Patrick Outdoor Advertising, and the San Jose Sharks, and his background includes marketing, advertising, and management.

Since joining The Weather Underground, Inc. Chuck has developed relationships with numerous advertising clients such as The Associated Press, State Farm Insurance, Davis Instruments, Tribune, and CBS.

Richard Lowden

Vice President of Sales and Advertising

Richard joined Weather Underground in November 2008, bringing with him many years of experience in online media sales, most recently as Senior Vice President of Sales at Winstar Interactive. Previous companies include CBS5 / UPN Bay Area and Comcast Cable Corporation (Formerly AT&T Media Services).

A graduate from San Diego State University with a Bachelors Degree in Political Science, Richard is normally found playing the good husband or dad whenever he's not chasing his labrador puppy around the house! ✓
