**Re: Experi-Metal v Comerica  
Case No. 09-5138-CZ**

Dear Todd:

This is in response to your letter dated July 15, 2010 with respect to certain discovery issues.

- I have enclosed the interrogatory responses signed by Valiena Allison. I have also enclosed the job description for Keith Maslowski. There is no written job description for Valiena Allison, who is the President and CEO of the Company.
- Experi-Metal has not located any agreements other than those previously furnished by Comerica.
- I have enclosed a copy of the January 22, 2009 phishing email which I believe was enclosed in our earlier responses.
- I am producing copies of Experi-Metal's billing records for phone services reflecting January 22, 2009. We are still attempting to obtain records reflecting the source of incoming calls to Experi-Metal's numbers for January 22, 2009 from our carrier. We expect to have responsive documents shortly.
- We have produced the phishing email. The records printed by S.A. Kinsman are not in Experi-Metal's possession.
- We have attached a calculation of damages that has been prepared by Experi-Metal.
