Re: Experi-Metal Inc. v Comerica Bank
2:09-cv-14890

Dear Todd:

Pursuant to your request, I am enclosing the following documents:

1. The disciplinary note that was placed in Keith Maslowski's payroll file with respect to the January 22, 2009 phishing attack.
2. A privilege log.
3. The "attached documents" referenced in the Statement of Victimization including the phishing email that was produced by the Defendant on July 23, 2010. I am enclosing another copy for your reference. Experi-Metal is not in possession of the records that Special Agent Kinsman printed on August 3, 2009 that were also referenced in the Victimization Statement. We are also enclosing the "updates" from the web site referenced in the letter from the U.S. Department of Justice.
4. Without waiving our objection we are attaching the documents related to the insurance claim.

Todd A. Holleman, Esq.

5. As noted in the response to the Request for Production, we have previously produced all of the documents sent to or received from Plaintiff's expert. For your convenience I have attached additional copies.

If you have any further questions, please feel free to contact me.

Sincerely,

DRIGGERS, SCHULTZ & HERBST, P.C.
