Ms. Wagner

i received a copy of Mr. Gillooly's filing (by e-mail from his associate) and i note that the proof of service just claims electronic filing. No doubt Mr. Gillooly also took your order stating that all filings must be made electronically seriously, as i did. Since we communicated on the matter and you told me that as a pro se litigant, i was still allowed to file hard copy with the Court, would you be kind enough to inform Mr. Gillooly that he must still serve me directly - either by e-mail or by post - i am fine with either method.

Also i wish to reaffirm my objection to #20 of Ms. Forbush's filing. Do i need to make a motion to do this or is it enough that i have contacted both her and the Court and explained my objection?
