Subject: FW: scheduling order

Ms Wagner

I did not receive a reply from you to my request that Mr. Gillooly be informed by the Court that i am still allowed to file the "traditional way" and that he be aware that he must serve me with his filings either by mail or by e-mail. Under Fed. R. Civ. Pro. 5(a)(b) I believe i am entitled to service on motions and other filings.

Peter Bormuth
