HOUSTON, DAPHNE M.
JOHNSON and RICHARD
IDEMUDIA,

Defendants.

**ORDER DENYING PLAINTIFF'S MOTION FOR PROMPT
SETTLEMENT CONFERENCE WITHOUT PREJUDICE (DE166)**

This matter is before the Court for consideration of Plaintiff's motion for prompt settlement conference, requesting that the Court schedule a settlement conference in this matter. (DE 166.)

On November 30, 2018, I entered my report on the evidentiary hearing regarding exhaustion and recommendation to grant the State Defendants' motion

for summary judgment. (DE 168.) And, on December 18, 2018, I entered my report and recommendation to (1) grant State Defendants' motion to dismiss 42 U.S.C. § 1985 conspiracy claims and state law claims, (2) grant Defendant Terry Meden, M.D.'s second motion for summary judgment, (3) grant Defendant Hannah Saad, M.D.'s motion to dismiss/summary judgment being filed in lieu of answering Plaintiff's complaint, and (4) *sua sponte* dismiss Plaintiff's Eighth Amendment claim against Derek Rosen for failure to exhaust administrative remedies. (DE 170.) Acceptance of these recommendations would bring this case to a close.

Accordingly, Plaintiff's motion for prompt settlement conference is **DENIED without prejudice** pending Judge Goldsmith's consideration of the pending reports and recommendations. To the extent that Plaintiff's request relates to case no. 16-12069, pending before Judges Berg and Majzoub and as referenced in the instant motion, he is free to file a motion seeking similar relief in that case.

IT IS SO ORDERED.

Dated: December 19, 2018

s/Anthony P. Patti
