Plaintiff,

No. 16-13394

District Judge Bernard A. Friedman  
Magistrate Judge R. Steven Whalen

CITY OF EASTPOINTE, ET AL.,

Defendant.

**ORDER**

For the reasons and under the terms stated on the record on August 8, 2017, Defendants' motion to compel discovery [Doc. #12] is GRANTED IN PART AND DENIED IN PART.

In response to many of the discovery requests, Plaintiff has claimed lack of memory. That may be. However, it is incumbent upon Plaintiff to make a good faith attempt to jog her memory. Therefore, she will undertake a diligent and good faith effort to obtain and produce the requested information, including information regarding her pre-incident medical treatment, and her 2004 lawsuit or claim against SMART. If she discovers or recalls information that has not yet been disclosed, she shall do so within 30 days of the date of this Order.

If Plaintiff is unable to locate or recall any of the requested information, she shall, within 30 days of the date of this Order, certify to Defendants in writing, under oath, the specific steps she has taken to obtain the information.

Plaintiff is also reminded that discovery is an ongoing obligation, and she must supplement her responses as additional information becomes available to her.

IT IS SO ORDERED.
