**ORDER GRANTING PLAINTIFF'S MOTION TO CORRECT MISTAKE
[DE 42]**

Plaintiff having filed a motion to correct a mistake in paragraph 2 of his complaint, to reflect the fact that he is a type I insulin-dependent diabetic, rather than a type II insulin-dependent diabetic; no opposition having been received from any of the defendants; the Court having reviewed the motion and being satisfied that it is appropriate to make this minor correction in the pleadings to conform to the evidence; IT IS HEREBY ORDERED THAT:

1. Plaintiff's motion to correct mistake is GRANTED;

2. The record will reflect Plaintiff's allegation that he is a type I insulin-dependent diabetic, rather than a type II insulin-dependent diabetic, who requires insulin three (3) times daily, as though so stated in paragraph 2 of his complaint; and
3. In the unlikely event that this corrected allegation requires further pleading by any of the defendants, they are each granted leave to file amended answers on or before June 4, 2015, with respect to paragraph 2 of the complaint only.

IT IS SO ORDERED.
