In the interests of the prompt and efficient adjudication of this case, it is ordered that the parties discuss whether they are willing to consent, under 28 U.S.C. § 636(c), to conducting all further proceedings in this case before the assigned Magistrate Judge.

If both parties consent to proceed before the Magistrate Judge, counsel for the defendant must, within two weeks of the date of this order, file a fully executed Notice, Consent and Reference of a Civil Action to a Magistrate Judge form, a copy of which is available in fillable format at www.mied.uscourts.gov. If either party does not consent to conducting all further proceedings before the assigned Magistrate Judge, the parties must file a joint notice, within two weeks of the date of this order advising the Court that the parties do not consent, but without disclosing the identity of the party or parties who do not consent.
