UNITED STATES DISTRICT COURT EASTERN DISTRICT OF MICHIGAN SOUTHERN DIVISION

STEPHANIE FRAZIER,

Plaintiff,

v. NATIONAL AERONAUTICS AND SPACE ADMINISTRATION (NASA),	Civil Case No. 17-11280 Honorable Linda V. Parker
Defendant.	

OPINION AND ORDER DENYING PLAINTIFF'S REQUEST TO AMEND COMPLAINT

On April 24, 2017, Plaintiff initiated this lawsuit against Defendant, the National Aeronautics and Space Administration ("NASA"), seeking monetary damages of \$600 million. On June 26, 2017, this Court summarily dismissed Plaintiff's Complaint pursuant to 28 U.S.C. § 1915(e)(2)(B). On June 5, 2017, this Court received a letter from Plaintiff, titled "Letter of Amendment[,]" which the Court construes as a motion to amend her Complaint. (ECF No. 4.)

In this letter, Plaintiff essentially states that she failed to state a claim that would survive dismissal of her initial complaint and that she therefore desires to amend the complaint. Plaintiff indicates that if she is allowed to amend her complaint, the complaint will include three entities instead of one: NASA,

Lockheed Martin, and Raytheon. Plaintiff further provides that she is alleging a federal claim, since her "problem is a space problem."

Plaintiff, however, provides insufficient information to lead this Court to conclude that she could amend her complaint to state a claim with merit. In any event, "[c]ourts have no discretion in permitting a plaintiff to amend a complaint to avoid [a dismissal by the court pursuant to 28 U.S.C. § 1915(e)(2)(B)]." *McGore v. Wrigglesworth*, 114 F.3d 601, 604 (6th Cir. 1997); *see also Wimberly v. Embridge*, 93 F. App'x 22, 23 (6th Cir. 2004).

Accordingly,

IT IS ORDERED that Plaintiff's request to amend her Complaint is **DENIED**.
