Statement OF Facts

The Richards Family Organization, is A Non-Official Corporation And Non-Profit Organization, with Over 5 members. The Richards Family Org. (R.F.O), was established in 2009, As A 'Political Unit' representing The interest of its members both Collective And individual.

The R.F.O excersises The right To lobby For its members Collective. Thus has initiated This Complaint on behalf of its Volunteer Members.

Members of The R.F.O, whome Are incarcerated, have Tried To excersise Their right To denounce Their Citizenship.

Each Represented member Filed An; "Oath And AFFirmation of Renunciation of U.S. Citizenship", with The American Embassy.

However, Federal Law mandates That A person must Appear in person, in front of The U.S. Consulate, give A Verbal Statement, And Then Sign A Formal 'Oath And AFFirmation' in Order To Formally Denounce his Citizenship.

Obviously members of The R.F.O, whome Are in prison or Jail, Cannot meet The requirements To Formally excersise This right.

Individuals in poor Judicial Standing lack The Freedom To pursue This, Along with individuals in poor Financial Standing, who lack The Funds To AFFord Transportation.

The Universal Decleration of HUMAN Rights, U.D.H.R., protects The right ;

" OF All people To denounce Their Citizenship, or Change Their Nationality, without Obstruction, restriction, or Retaliation From Any Government."

The Constitution of The United States Also preserves 'The right of All Citizens To denounce Their Nationality', And Forbids Slavery in All Forms.

Citizenship is not A Frivolous issue, but imposes A Substantial burden On Each Constituent.

For A Person To be A Citizen, Subjects Them To Financial, legal, And Moral Obligations, Such As Taxes, Civil duty, ect.

There is Absolutely No Reason, Why A Prisoner Should Not be Allowed To Voluntarily denounce his Citizenship.

The equal protection Clause States, A prisoner will Only be deprived OF his rights, As much As Necessary For Safety And Security OF The institution. Obviously ones Citizenship Status has Nothing To do With Security.
