

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

ANTHONY CLIFFORD GATES,

Petitioner,

v.

CASE NO. 1:13-CV-713

BONITA J. HOFFNER,

Respondent.

HON. ROBERT J. JONKER

---

**ORDER APPROVING AND ADOPTING**  
**REPORT AND RECOMMENDATION**

The Court has reviewed Magistrate Judge Kent's Report and Recommendation (ECF No. 36) and Petitioner's Objections to Report and Recommendation (ECF No. 39). Under the Federal Rules of Civil Procedure, where, as here, a party has objected to portions of a Report and Recommendation, “[t]he district judge . . . has a duty to reject the magistrate judge's recommendation unless, on de novo reconsideration, he or she finds it justified.” 12 WRIGHT, MILLER, & MARCUS, FEDERAL PRACTICE AND PROCEDURE § 3070.2, at 381 (2d ed. 1997). Specifically, the Rules provide that:

The district judge must determine de novo any part of the magistrate judge's disposition that has been properly objected to. The district judge may accept, reject, or modify the recommended disposition; receive further evidence; or return the matter to the magistrate judge with instructions.

FED R. CIV. P. 72(b)(3). De novo review in these circumstances requires at least a review of the evidence before the Magistrate Judge. *Hill v. Duriron Co.*, 656 F.2d 1208, 1215 (6th Cir. 1981).

The Court has reviewed de novo the claims and evidence presented to the Magistrate Judge; the

Report and Recommendation itself; and Petitioner’s objections. After its review, the Court finds the Magistrate Judge correctly concluded that Petitioner is not entitled to habeas corpus relief.

The Magistrate Judge recommends denial of Petitioner’s habeas petition. In his objections, Petitioner primarily reiterates and expands upon arguments presented in his original brief. Petitioner’s objections fail to deal in a persuasive way with the Magistrate Judge’s analysis. The Magistrate Judge carefully and thoroughly considered the evidentiary record, the parties’ arguments, and the governing law. The Magistrate Judge properly analyzed Petitioner’s claims. Nothing in Petitioner’s Objections changes the fundamental analysis that the claims raised in Issues II, III, IV, V, VI, and VIII were procedurally defaulted and the claims raised in Issues I and VII were non-cognizable and without merit. The Court concludes that Petitioner is not entitled to federal habeas relief, for the very reasons detailed in the Report and Recommendation of the Magistrate Judge.

Under the Antiterrorism and Effective Death Penalty Act (AEDPA), a petitioner may not appeal in a habeas corpus case unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1). The Federal Rules of Appellate Procedure extend to district judges the authority to issue certificates of appealability. FED. R. APP. P. 22(b); *see also Castro v. United States*, 310 F.3d 900, 901-02 (6th Cir. 2002) (the district judge “must issue or deny a [certificate of appealability] if an applicant files a notice of appeal pursuant to the explicit requirements of Federal Rule of Appellate Procedure 22(b)(1)”). However, a certificate of appealability may be issued “only if the applicant has made a substantial showing of the denial of a constitutional right.” 28 U.S.C. § 2253(c)(2).

To obtain a certificate of appealability, Petitioner must demonstrate that “reasonable jurists would find the district court’s assessment of the constitutional claims debatable or wrong.”

*Miller-El v. Cockrell*, 537 U.S. 322, 338 (2003) (quoting *Slack v. McDaniel*, 529 U.S. 473, 484 (2000)). While Petitioner is not required to establish that “some jurists would grant the petition for habeas corpus,” he “must prove ‘something more than an absence of frivolity’ or the existence of mere ‘good faith.’” *Id.* (quoting *Barefoot v. Estelle*, 463 U.S. 880, 893 (1983)). In this case, Petitioner has not made a substantial showing of the denial of a constitutional right. Therefore, he is not entitled to a certificate of appealability.

The Magistrate Judge properly concluded that Petitioner is not entitled to the habeas corpus relief he seeks. Petitioner is not entitled to a certificate of appealability.

Accordingly, **IT IS ORDERED** that the Report and Recommendation of the Magistrate Judge (ECF No. 36) is **APPROVED AND ADOPTED** as the opinion of the Court.

**IT IS FURTHER ORDERED** that:

1. Petitioner’s Petition for Writ of Habeas Corpus (ECF No. 1) is **DISMISSED**; and
2. Petitioner is **DENIED** a certificate of appealability.

Dated: September 14, 2017

/s/ Robert J. Jonker  
ROBERT J. JONKER  
CHIEF UNITED STATES DISTRICT JUDGE
