Hon. Phillip J. Green
Case No. 1:17-cv-00851

MEMORANDUM OPINION

This was a social security action brought under 42 U.S.C. § 1383(c)(3) seeking review of a final decision of the Commissioner of Social Security finding that plaintiff was not entitled to supplemental security income (SSI) benefits. On January 8, 2018, the Court entered an order and judgment granting the parties joint stipulation for remand, vacating the Commissioner’s decision and remanding the case for further administrative proceedings under sentence four of 42 U.S.C. § 405(g). (ECF No. 13, 14).

The matter is now before the Court on plaintiff’s motion for attorney’s fees under the Equal Access to Justice Act (EAJA), 28 U.S.C. § 2412. (ECF No. 15). Defendant timely filed a response stating that she has, “no objection to Plaintiff’s request for fees.” (ECF No. 16, PageID.953). For the reasons set forth herein,

plaintiff's motion will be granted and a judgment will be entered in plaintiff's favor in the amount of \$2,222.50.

Discussion

The EAJA provides in relevant part:

Except as otherwise specifically provided by statute, a court shall award to a prevailing party other than the United States fees and other expenses . . . incurred by that party in any civil action . . ., including proceedings for judicial review of agency action, brought by or against the United States . . ., unless the court finds that the position of the United States was substantially justified or that special circumstances make an award unjust.

28 U.S.C. § 2412(d)(1)(A); *see Astrue v. Ratliff*, 560 U.S. 586, 591-93 (2010). A district court's decision granting or denying a motion for attorney's fees under the EAJA is reviewed on appeal under a deferential "abuse of discretion" standard. *DeLong v. Commissioner*, 748 F.3d 723, 725 (6th Cir. 2014).

The Sixth Circuit has identified three conditions that must be met to recover attorney's fees under the EAJA: (1) the claimant must be a prevailing party; (2) the government's position must be without substantial justification; and (3) there are no special circumstances that would warrant a denial of fees. *See DeLong v. Commissioner*, 748 F.3d at 725.

Plaintiff is a prevailing party under this Court's judgment remanding this matter to the Commissioner. *See Shalala v. Schaefer*, 509 U.S. 292, 298 (1993); 28 U.S.C. § 2412(d)(2)(H). Plaintiff is a financially eligible person under the EAJA. *See* 28 U.S.C. § 2412(d)(2)(B). Through her response to motion, the Commissioner concurs that there is no special circumstance that would warrant denial of fees, and

that the government's position was not substantially justified. (ECF No. 16, PageID.953). Accordingly, plaintiff is entitled to an award of attorney's fees under the EAJA.

1. Hours Claimed

“Once a court makes a threshold determination that a party is eligible for EAJA fees, it looks to the lodestar amount as a starting point for calculating a reasonable fee award.” *Minor v. Commissioner*, 826 F.3d 878, 881(6th Cir. 2016). The United States Court of Appeals for the Sixth Circuit has cautioned lower courts against “rubber stamping” EAJA fee applications. *See Begley v. Secretary of Health & Human Servs.*, 966 F.2d 196, 200 (6th Cir. 1992).

The EAJA requires “an itemized statement from [the] attorney . . . representing or appearing in behalf of the party stating the actual time expended and the rate at which fees and other expenses were computed.” 28 U.S.C. § 2412(d)(1)(B). Plaintiff seeks compensation for 12.7 hours in attorney time. (ECF No. 15-1, PageID.934).

Generally, a reasonable expenditure of time for representation of a party seeking judicial review of the Commissioner's final administrative decision denying claims for DIB and SSI benefits is in the range of 15 to 30 hours. *See Flamboe v. Commissioner*, No. 1:12-cv-606, 2013 WL 1914546, at *2 (W.D. Mich. May 8, 2013); *see also Fredericks v. Commissioner*, No. 1:12-cv-1234, 2014 WL 4057794, at *2 (W.D. Mich. Aug. 14, 2014); *Nichols v. Commissioner*, No. 1:09-cv-1091, 2012 WL 1189764, at *2 (W.D. Mich. Mar. 19, 2012) (collecting cases). “Unlike other types of civil cases in which the amount of discovery alone often creates wide variability in litigation

hours, the vast majority of social security appeals conform to a relatively narrow range of hours because they involve a largely settled area of law, require no discovery, and follow a precise briefing schedule[.]” *Flamboe v. Commissioner*, 2013 WL 1914546, at * 2 (quoting *Crim v. Commissioner*, No. 1:11-cv-137, 2013 WL1063476, at *4 (S.D. Ohio Mar. 14, 2013)). Having reviewed the record, I find that 12.7 hours is a reasonable amount of time expended on the work performed in this case.

2. Hourly Rate

The EAJA generally caps the hourly rate for attorney’s fees at \$125 per hour. 28 U.S.C. § 2412(d)(2)(A). “[T]he statutory rate is a ceiling and not a floor.” *Chipman v. Secretary of Health & Human Servs.*, 781 F.2d 545, 547 (6th Cir. 1986). Plaintiff seeks to recover attorney’s fees at a rate of \$175 for work performed in this Court. (ECF No.15-1; PageID.936). The EAJA specifies that “attorney’s fees shall not be awarded in excess of \$125 per hour unless the court determines that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.” 28 U.S.C. § 2412(d)(2)(A). The Supreme Court has determined that the statutory \$125-per-hour cap applies “in the mine run of cases.” *Gisbrecht v. Barnhart*, 535 U.S. 789, 796 (2002).

No consensus has emerged in this District regarding whether the State Bar of Michigan’s Economics of Law Practice Survey is sufficient evidence to justify a departure above the statutory \$125 per hour cap to an hourly rate of up to \$175 per hour. *Compare Sorensen v. Commissioner*, No. 1:14-cv-719, 2015 WL 1003098, at * 2-

4 (W.D. Mich. Mar. 5, 2015) (\$125 per hour) *with Shellman v. Commissioner*, No. 1:13-cv-959, 2014 WL 1875107, at * 2 (W.D. Mich. May 8, 2014) (\$175 per hour).

In *Thompson v. Commissioner*, Chief Judge Jonker found that the State Bar survey did not warrant a rate above the statutory cap:

The Michigan Bar survey of attorney rates is [] insufficient. In the first place, the survey is fairly generic and does not in any way drill down to social security practitioners specifically. Moreover, a market rate survey is not necessarily probative of a fair rate of compensation under the EAJA. There certainly does not appear to be a shortage of practitioners ready to take on the Commission for a chance at the EAJA rate. Finally, the Commissioner's acquiesce is not decisive. The Court has an independent obligation to evaluate the rates.

No. 1:13-cv-1027, 2014 WL 4080417, at *1 (W.D. Mich. Aug. 14, 2014).

In *Harrington v. Commissioner*, No. 1:13-cv-1373, 2015 WL 1781480, at *2 (W.D. Mich. Apr. 20, 2015), Judge Neff noted that it is not sufficient to simply point to other cases where rates higher than the statutory cap were approved. Judge Neff and other judges of this Court have recently approved an hourly rate as high as \$175 per hour, but it is not a default rate, and each application must be evaluated on its own merit. *See Havens v. Commissioner*, No. 1:13-cv-938, 2015 WL 5918736, at *2-3 (W.D. Mich. Oct. 9, 2015); *accord Malone v. Commissioner*, No. 1:13-cv-821, 2015 WL 6159404, at *2 (W.D. Mich. Oct. 20, 2015); *Bradford v. Commissioner*, No. 1:14-cv-1061, 2015 WL 5793302, at *2-3 (W.D. Mich. Oct. 1, 2015); *Martin v. Commissioner*, 1:12-cv-1030, 2015 WL 3513770, at *2-3 (W.D. Mich. June 4, 2015).

The combination of the evidence plaintiff presented and the recent decisions of this Court cited above support a \$175 rate under the EAJA in this case. Multiplying

the 12.7 hours reasonably expended by counsel by the \$175 per hour rate results in \$2,222.50.

Conclusion

For the reasons set forth herein, plaintiff's motion for attorney's fees (ECF No. 15) is **GRANTED**. A judgment in plaintiff's favor against defendant in the amount of \$2,222.50 will be entered.

Date: October 1, 2018
