Comments: I am DISGUSTED at the recent comments of Greg LeMond regarding Lance Armstrong. I was writing a letter to his Cycle company, when I saw that you own them? How awkward must that be for you, the best thing to ever happen to the sport and Trek, attacked by the namesake of one of your brands? PLEASE issue a public statement, via OLN distancing your company from the BITTER, misguided statements of this poorly aging and sad past champion. It is sad as hell that he has gotten down in the gutter like this. I hold your company partly responsible however if you let the slander stand without comment. I will never buy a LeMond and hope that Greg reeps the Karma that he deserves.

Sincerely,

Paul
