Re: *Trek v. LeMond*  
Our File No.: 123595.0000

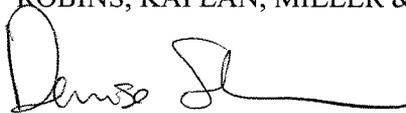

Dear Ralph:

Attached please find LeMond Cycling's privilege log. In the process of finalizing this log, we identified a very small number of documents that we believe upon closer examination should be redacted rather than held back. We will be producing these next week along with a redaction log that addresses those documents as well as other redactions in LeMond Cycling's document production.

Have a safe and enjoyable Thanksgiving.

Sincerely,

ROBINS, KAPLAN, MILLER & CIRESI L.L.P.
