###

About Trek Bicycles:

Headquartered in Waterloo, Wisconsin, Trek Bicycle Corporation is a global leader in bicycle design and manufacturing. From the original hand-built steel touring frames introduced in 1976 to the revolutionary OCLV carbon fiber first introduced in 1992, Trek's passion for innovation, quality, and performance leads the industry with next-generation technology and thinking. With an unprecedented eight Tour de France titles in the last nine years, six straight 24-hour World Solo Mountain Bike Championships, and countless other professional wins, Trek enjoys a rich tradition of victory in the world's premier cycling events. Today, with a broad range of bicycles and cycling products under the Trek, Gary Fisher, LeMond, Bontrager, and Klein brand names, Trek continues to pursue new ways to bring the joy of cycling to all people.
