Table 1. State and Local Government Finances by Level of Government and by State: 2007-08						
<small>(Dollar amounts are in thousands. Coefficients of variation (CV) are expressed as percentages. For meaning of abbreviations and symbols, see note below table.) Source: 2008 Annual Surveys of State and Local Government Finances. Data users who create their own estimates using data from this report should cite the U.S. Census Bureau as the source of the original data only. The data in this table are based on information from public records and contain no confidential data. The state government data in this table come from a survey of all state governments and are not subject to sampling error. The 2008 local government data in this table are from a sample of local governments, and as such, are subject to sampling variability. Additional information on sampling and nonsampling error, response rates, and definitions may be found at: http://www2.census.gov/govs/state/08_methodology.pdf</small>
