<sup>1</sup> Figures 1 through 4 were created by taking the policy information included in Defendants' summary of policies, Doc. #37-4, and adding the insured's relationship, as described in Tony's deposition, Doc. #37-1. As explained in the opinion, the Court considers Defendants' summary under Rule 1006 of the Federal Rules of Evidence, which allows for "a summary, chart, or calculation to prove the content of voluminous writings ... that cannot be conveniently examined in court."
