# Common Pro-Nigger Arguments

I respond to common arguments against racism

## Page 1

[Return to Home Page](#)

[Page Two](#)

[Page Three](#)

NEW ! [Click Here](#) to See How Nigger Lovers Respond to this page !

I have created this page to counter the common arguments in defense of niggers. I always get the same old, tired arguments. Over the years, I've heard them all. I have yet to see one single argument or credible piece of information to disprove anything on my web site or to sway me from my position of 'racism' (realism). I recently received an email from a nutjob telling me how 99% of all the serial killers are white. When I responded and correctly pointed out the FBI statistics proving that 22% of all convicted serial killers are niggers and that they comprise only 12% of the population in the U.S. (not to mention the rampant serial and ritual killing going on in Africa), his only response was, "Your statistics are wrong!"

With a mentality like that, why bother? Why waste my time responding to people who could care less that they are utterly wrong and refuse to see the proof that's right in front of them?

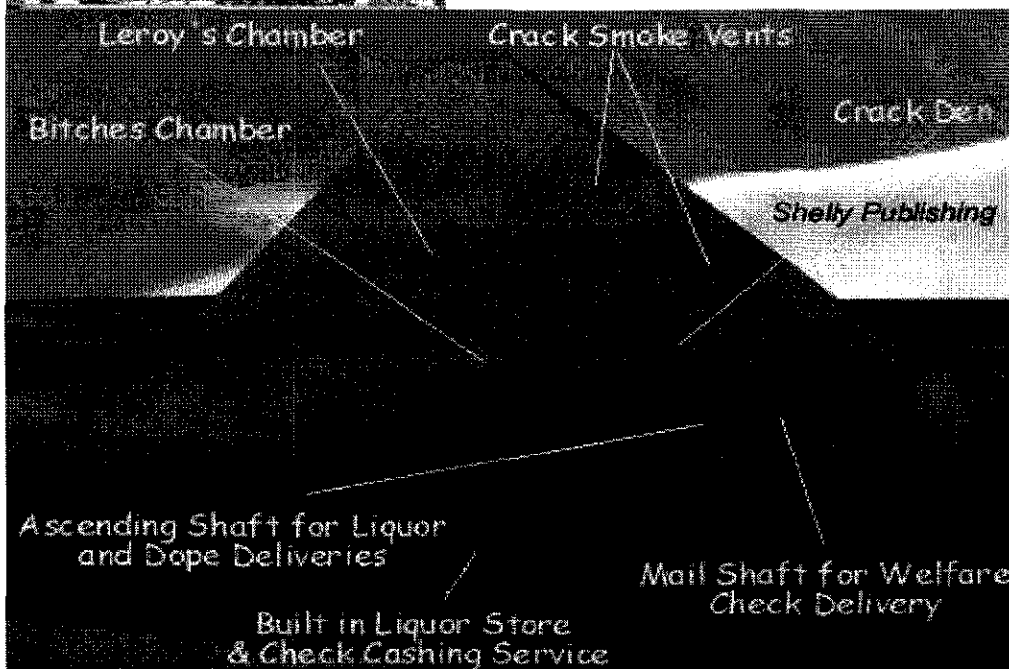

So from now on, all my responses will be put here. Feel free to use this in your own debates with people who still feel that niggers are just 'people with different colored skin'.

There are only about a dozen or two pro-nigger, anti-racist arguments that are repeated and used and here's my answer to them all. This is an ongoing project and I welcome additions or suggestions).

## 1. Niggers were Egyptians

This all started a decade or so ago. When I first heard this, I couldn't stop laughing for days. And I created a few photo-shopped pics mocking this new nigger lie:

**Proof! The niggers really did build the pyramids!**

This lie stems from the fact that niggers have no history or culture or *achievements of their own*. Therefore, they attempt to claim the advancements and history of other cultures. The fact of the matter is that niggers come from Sub-Saharan Africa and live worse than animals and they have been living that way for thousands of years. The pure-blooded, Sub-Saharan African negro never been known to plant one single crop, domesticate an animal or even invent the wheel. They live in hut-like structures made

with grass, mud, and animal shit the likes of which a common beaver could build.

With a 'history' like that, no wonder they try to hide it. All one has to do is look at the reality of history and how niggers of today live in their native Africa or in the ghettos of America they have created to clearly see that they are nothing but retarded apes so the only way around this is to change history and claim that their present living condition is the result of White racism and oppression that took their civilization, intelligence, and special powers away.

I guess all the niggers in Sub-Saharan Africa just decided one day to get up, go north and cross the Saharan desert on their own and then build the pyramids and an advanced culture only to abandon it one day and go back to Sub-Saharan Africa to live in straw huts, rub shit and cow urine on themselves all day and wait for the next white-donated Red Cross care package to arrive with food.

Right?

There's plenty of information out there to disprove this nigger Egyptian nonsense:

<http://www.stormfront.org/whitehistory/egypt.htm>

<http://www.historyplace.com/pointsofview/not-out.htm>

And their reasons for this new wave of Afrocentrism:

<http://www.skeptics.org.uk/article.php?dir=articles&article=afrocentrism.php>

But wait, it gets even better with such wild claims in history as:

- \* Claiming the ancient Kenyans had calculated the speed of light
- \* That black Egyptians built the pyramids and invented electricity
- \* That Africans traveled to the Americas and taught the Aztecs everything they knew
- \* That various figures in Western history were actually black Africans
- \* That the Romans and Greeks were taught everything they knew by blacks
- \* Cleopatra was a nigger
- \* Hannibal was a nigger

\* And my favorite one, that niggers used to have the power to fly and built the pyramids by moving the stones with the power of their minds. I got a few emails from niggers over the years who actually believe this. I did some research about where all this started and found this quote:

""While this is a very real, and very important, process of reclaiming history, there is such a thing as taking it too far. Last year, I heard a discussion of a new Afrocentric curriculum being presented to the Philadelphia school system. The "noted Afrocentrist" being interviewed, whom I had never heard of even though he was "noted" and I do make an attempt to keep informed of these things, told the interviewer about how the ancient Egyptians were all black, the direct ancestors of all black-skinned persons in the United States today, and were the founders of every culture and every technological advance which had ever been given to the world anywhere. When the interviewer asked for specifics, the speaker told how the pyramids were built -- with special levitational powers that the ancient Egyptians possessed, allowing them to fly themselves, and other objects, around at will simply by using their minds. When pressed, the speaker admitted the Egyptians lost their ability to fly and all their other incredible powers when "the white man invaded."

"You honestly believe the ancient Egyptians knew how to fly and move pyramid blocks with their minds?" asked the interviewer. "And you want to teach African-American schoolchildren this?"

The speaker paused, then said: "Well, no, I don't really believe they knew how to fly, and I don't believe they had any special powers. But we've got to give these kids something good to believe in, don't we?"

<http://www.kemet.org/letters/shomu0998.html>

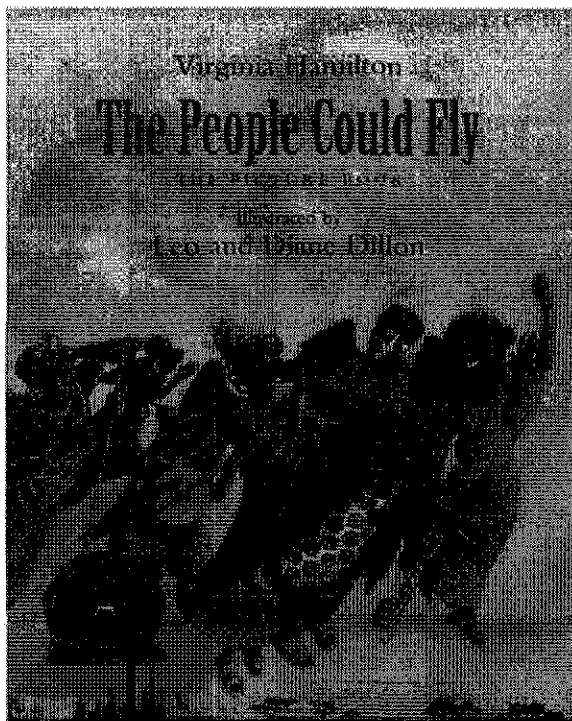

## **NIGGER FAIRY TALES**

*"Dats right, childrens, we used to be Egyptians and shit. We invented metal workings and made big ships and went all round de world spreading our technology. We used the power of our minds to move the stones to build the pyramids and we even used to fly. I ain't bullshittin' you! "*

*"Well what the fuck happened, mammy? Why we be living in a tin shack and you be out hoeing all day?"*

*"Cuz dem muthafuckin' whiteys came and oppressed us and took away our special powers and minds. Now get your black asses to bed."*

And this children's book, with the fable that niggers could fly due to some magical powers:

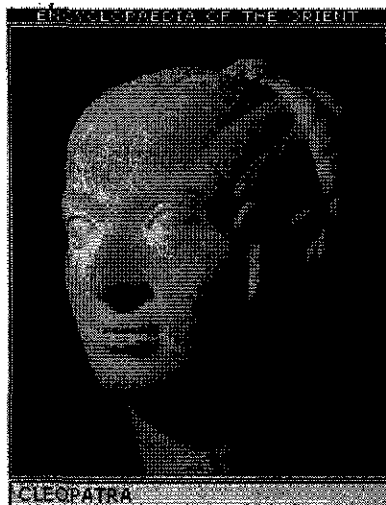

Cleopatra was not a nigger:

<http://www.campustimes.org/media/storage/paper371/news/2003/02/27/Opinions/Cleopatra.Of.Mixed.Li-381307.shtml?norewrite200610261701&sourcedomain=www.campustimes.org>

<http://www.straightdope.com/mailbag/mcleopatra.html>

<http://www.historyplace.com/pointsofview/not-out.htm>

The myth that Hannibal was a nigger all started with this poster that was distributed in nigger schools to help boost the ego of nigglets into thinking that their nigger species actually had a history at all:

Since it bears absolutely no resemblance to the real Hannibal as depicted in actual coins and busts from his day, they stopped distributing it.

Even the most cursory look into Hannibal's life and ancestors reveals that the notion he was a nigger is absurd:

## **2. Whites stole the brightest minds from Africa.**

There were no bright minds in Africa. Niggers don't have bright minds or original thought.

## **3. Whites are all the serial killers**

Niggers are 13% of the American population, yet make up anywhere from 15 to 22 percent of convicted serial killers.

<http://www.washingtonpost.com/ac2/wp-dyn?pagename=article&contentId=A20069-2002Oct26&notFound=true>

Eric W. Hickey, a criminal psychology professor at California State University at Fresno, said there have been plenty of minority serial killers. In his 1995 book, "Serial Murderers and Their Victims," Hickey wrote that 22 percent of such killers were black. An additional 17 percent were women.

"It's a stereotype that . . . most serial killers are white," Hickey said. "You ask most experts and they can't name a black serial killer. We have Asians and we have Hispanics that were serial killers. We need to get away from all the myths."

With a database of 399 serial killers from 1800 to 1995, Hickey found:

- (1) 20% of the killers were black.
- (2) 17% were women.

With a database of 558 offenders operating in the United States since 1900, Fox and Levin found:

- (1) 86% of the killers are male.
- (2) 82% are white.
- (3) 15% are black.
- (4) 4% are Hispanic.

In a sample of 413 serial killers operating in the United States from 1945 to mid-2004, it was found that 90 were African American. Relative to the African American proportion of the population across that time period, African Americans were overrepresented in the ranks of serial killers by a factor of about 2.

## FUN NIGGER FACT # 28

In the U.S., where statistics are reliable, niggers are mor likely to be a serial killer than a White. Serial killing is a 'rampant' problem in nigger Africa.

## 4. Whites commit crimes too

Gee, no kidding? And your point?

MY point is that niggers overwhelmingly commit more crimes (especially violent) crimes than any other group.

Want proof? I thought you would never ask:

WHILE ONLY AROUND 12% OF THE U.S. POPULATION AND  
 OUTNUMBERED BY OTHER RACES BY 9 TO 1:

NIGGERS COMMIT BETWEEN 51% AND 60% OF THE MURDERS

NIGGERS ARE ARRESTED FOR 57- 61% OF THE ROBBERIES

**NIGGERS COMMIT OVER 50% OF THE ROBBERIES**

**NIGGERS COMMIT OVER 50% OF THE RAPES AND CHOOSE WHITE WOMEN TO RAPE**

**OVER 50% OF NIGGER MALES WILL BE ARRESTED AND CHARGED WITH A SERIOUS FELONY IN THEIR LIFETIME**

**NIGGER VIOLENT CRIME TARGETS WHITES OVER 50% OF THE TIME**

**\*\*\*NIGGERS COMMIT BETWEEN 51%- 60% OF THE MURDERS:**

The FBI Uniform Crime Reports are available on the Internet at

<http://www.fbi.gov/ucr/ucr.htm>.

In one of these reports, titled Crime in the United States, 1995, we can draw several interesting conclusions from Table 2.8. In 1995, there were 10032 US murders having a single perpetrator and a single victim.

Of these murders, Blacks committed 5175 (51.6%) and "Whites" committed 4476 (44.6%).

Black offenders account for 56 percent of arrests for murder [FBI, Crime in the United States].

similar statistics hold for the black share of offenders under age 18, with a 59.5 percent share of murder arrests for black youths [FBI, Crime in the United States].

Blacks commit ..... 60% of all murders in the U.S. (32) (27) (6)

Black offenders account for 61 percent of arrests for robbery [FBI, Crime in the United States].

According to the Uniform Crime Report, 1997, 57% of the people arrested for robbery were niggers.

Blacks commit more than half of all rapes and robberies and 60% of all murders in the U.S. (32) (27) (6)

\*\*\*\*\*50% OF ALL NIGGER MALES WILL BE CHARGED WITH A SERIOUS FELONY  
IN THEIR LIFETIME

Approximately 50% of all Black males  
will be arrested and charged with a serious felony  
during their lifetime. (27)

27.Simpson, William Gayley. Which Way Western Man? 1978, National Alliance Press, Box 3535, Washington, D. C. 20007

51 % of nonwhite males could anticipate being arrested for a felony at some time during their lifetimes.

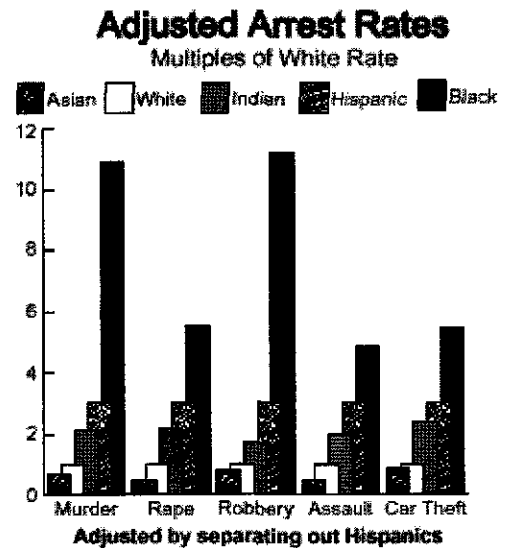

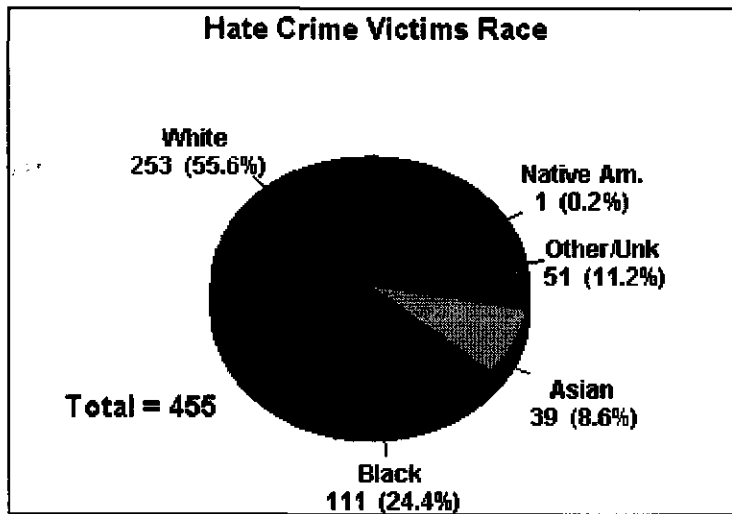

See generally Alfred Blumstein & Elizabeth Graddy, Prevalence and Recidivism Index Arrests: A Feedback Model, 16 LAW & SOC'Y REV. 265 (1981-82). The cities surveyed were: Birmingham, Phoenix, Tucson, Oakland, Long Beach, Los Angeles, Sacramento, San Diego, San Francisco, San Jose, Denver, Washington, D.C., Miami, Jacksonville, Tampa, Atlanta, Chicago, Indianapolis, Wichita, Louisville, New Orleans, Baltimore, Boston, Detroit, Minneapolis, St. Paul, Kansas City, St. Louis, Omaha, Newark, Jersey City, Albuquerque, Buffalo, Rochester, New York, Charlotte, Cincinnati, Cleveland, Columbus, Toledo, Oklahoma City, Tulsa, Portland, Philadelphia, Pittsburgh, Memphis, Dallas, Houston, San Antonio, El Paso, Ft. Worth, Austin, Norfolk, Seattle, Milwaukee, and Honolulu.

\*\*\*\*\*NIGGER VIOLENT CRIME TARGETS WHITES MORE THAN 50% OF THE TIME

The figures from Table 42 of the NCVS show other facts about interracial violence. If we once Interracial Crime again concentrate on the group of figures at the top of the table we can calculate the total number of crimes committed by perpetrators of each race, and the percentage that is committed against the other race. We find that the 1,140,670 acts of violence committed by blacks against whites constitute 56.3 percent of all violent crimes committed by blacks. That is to say that when blacks commit violent crimes they target whites more than half the time or, put differently, there is more black-on-white than black-on-black crime. Similar calculations for whites show that of the 5,114,692 acts of criminal violence committed by whites, only 2.6 percent were directed at blacks. (Although homicide is a violent crime, the NCVS does not include it because victims cannot be interviewed. The number of interracial murders is

small and does not affect the percentages and ratios presented here.)
