I still hold Google, Inc., and A.O.L. indirectly responsible for not using a filtering system to cleanse and control this kind of racial hatred. affect entire Nation of Afro-American people in a derogatory manner as well as all good law abiding Americans. I am a true blood American Male and I was raised in a small town in South Mississippi. People were very respectful salt of the earth people who believed in faith, honesty and perseverance. I was taught by my parents, first to believe whole heartedly in "God" put all your faith into him and he will fight your battles. I was taught to stand for something, if not you will lay down for anything. Now, in order to dismiss this case against Google, Inc.,

Although This case was filed over a month ago, I am still depicted on Google, Inc., and A.O.L.'s internet service Provider as "N-I-G-G-E-R inventer
