DEFENDANTS

ORDER OF DISMISSAL

Pursuant to Fed. R. Civ. P. 41 and Fed. R. Civ. P. 71.1, the Court finds as follows:

1. The Complaint in this action describes ten separate tracts of land across which the Plaintiff, Leaf River Energy Center LLC (“Leaf River”), seeks condemnation of various interests.

2. Leaf River has filed Notices of Dismissal for seven of the original tracts and the related defendants.

3. For the remaining three tracts, Leaf River has filed Notices of Dismissal for several defendants, and for the remaining defendants claiming ownership interests in these tracts the Court has conducted bench trials, determined just compensation, and rendered Judgments for the condemned interests. Leaf River has properly paid the just compensation amounts and satisfied the Judgments for the remaining three tracts in this action.

4. All matters set forth in the Complaint have, therefore, been concluded, and this action should be dismissed.

IT IS THEREFORE, ORDERED that this action is dismissed, consistent with the previously filed Notices of Dismissal and Judgments as described above.

SO ORDERED AND ADJUDGED this the 27th day of April, 2010.
