**ORDER**

On October 22, 2008, this Court entered an Order (Doc. No. 73) granting the Motion for Extension of Time to Respond to Motion for Summary Judgment of the United States and, in doing so, extended until November 14, 2008, the time allowed Mission Primary Care Clinic, PLLC to respond to the Motion for Summary Judgment of the United States (Doc. No. 69). In that Order, the Court did not address the Response of the United States (Doc. No. 70) to the Motion.

Having now considered the request of the United States in its Response that it be granted a comparable extension of the time allowed it to respond to the Motion for Summary Judgment (Doc. No. 65) filed by Mission Primary Care Clinic, PLLC on October 15, 2008, the Court finds that this request is well taken and should be allowed.

IT IS THEREFORE ORDERED that the United States of America shall have until November 14, 2008, to file its Response to the Motion for Summary Judgment of Mission Primary Care Clinic, PLLC.

SO ORDERED this 24th day of October, 2008.
