RE: Attorney Admissions

Jamie A. Brown vs. Ryan's Restaurant Group, Inc., d/b/a Ryan's Grill Buffet &
Bakery
Civil Action No. 5:10cv145-DCB-JMR

Dear Attorney Davis:

Our records indicate that you are attorney of record for the above mentioned case. However, we have no record of your admission to the United States District Court for the Southern District of Mississippi in this particular case. Please see the Court's web site at www.mssd.uscourts.gov to access the Local Rules for Attorneys: Admission and Conduct, effective December 1, 2009, for the United States District Courts for the Northern and Southern Districts of Mississippi. Local Rule 83.1(a) provides the regulations for a general admission to practice in this court, assuming you are a member of the Mississippi Bar.

One appearance before a district judge or magistrate would allow you to be admitted to both the Southern and Northern Districts. However, to accomplish this, we would need a duplicate set of all the admission documents (including the oath of admission card). The admission fee is \$160.00 per district; if you want to be admitted to both the Southern and Northern Districts of Mississippi, you would need to provide two separate checks. We would receipt the fee for the Southern District and forward the other payment (along with the oath and supporting documentation) to the Northern District for processing.

The Uniform Local Rules of the United States District Courts for the Northern and Southern Districts of Mississippi and other relevant information, such as telephone numbers for district judges and magistrates, may be accessed from the court's internet web site www.mssd.uscourts.gov.

If we can provide additional information in this regard, please let us know.

Yours very truly,

A handwritten signature in cursive script that reads "K. Alexander".
