1	refresh your memory as to when you would have
2 3	A: I do not, but I'm sure the reporter could give you that date. I'm sure they keep track of that
4	stuff at the magazine.
5	Q: And the reporter would have been Mr
6	A: I don't remember his name.
7	Q: Halverson?
8	A: I never met him before. Matt something.
9	Q: Matt Halverson?
10	A: That must be it, yes.
11	Q: Now, there is a number of quotations that,
12	and I take it that you have read this article on more
13	than one occasion?
14	A: I have.
15	Q: Did you find anything inaccurate in this
16	article?
17	A: I don't remember anything inaccurate, but I
18	haven't looked at it in months.
19	Q: Okay. When you first read it, did you did
20	anything strike you as inaccurate?
21	A: Don't remember that, no.
22	Q: Okay. And do you recall going back to the
23	author of this article and telling him that there was
24	something inaccurate and that he needed to change it?
25	A: No, I wouldn't have done that unless it was

really serious. It could have been something slight. 1 2 You just don't do that, you don't call reporters and tell them it's wrong unless it's pretty serious. 3 And so, I take it then that you told this 4 5 reporter, and it's in Column 1 on the first page of this article, that "the Reverend Lawrence Biondi had 6 all the class of a toilet seat"; is that correct? I did say that because he asked me a question 8 and I responded. 9 Okay. And what was the question he asked? 10 "How do you think Biondi has been, what has 11 **A**: his reputation been handling students, and faculty and 12 personnel problems?" 13 Is this the first time that you had ever made 14 0: that statement? 1.5 16 A: I'm pretty sure. And was it the last time you ever made that 17 0: statement? 18 19 **A**: Probably not. 20 And have you made that statement on more than 0: two occasions? 21 It's possible that this came up on a radio 22 interview and I was asked to repeat it, and I probably 23 did, but I don't remember if that was KTHR, KWMU, I 24 don't remember. 25

1 Do you recall whether you made this statement • • Q : more than twice? 2 I doubt it. Why do you say that? 4 0: 5 **A**: Well, it's one thing to say it once, it's 6 something else to say it again. One time, it's an 7 offhanded comment. I knew he'd make it the lead sentence, which he did, it's what I would have done if 8 I were writing it because it's a pretty outrageous 9 10 thing to say. But it's also a pretty outrageous thing he was doing to the paper. 11 12 0: And what was he doing to the paper, Father 13 Biondi? 14 **A**: Three things, the student editor's tuition 15 remission, which had been in place for 30-plus years, 16 one of two full tuition remissions, had been cut 17 dramatically without warning, so, put the editor in 18 the hole several thousand dollars, and he avoided, I don't know about -- "refused" might be too harsh. He 19 20 avoided meeting with her about this for months, until of course she left school and never came back. 21 22 0: And who would that student have been? That would have been Diana Benanti. 23 **A**: 24 Q: Okay. 25 **A**: Second, they were in the process of rewriting

the charter then and the threat was that they were 1 2 going to take control of the paper away from the students, and it would ultimately reside then in their 3 hands, not the students' hands, although we're largely 4 5 independent financially from the school, and of course that also happened. And third, there was a rumor 6 that, and this was a rumor, that they were going to kick us out of the building. 8 Okay. And so, based upon those three 9 10 factors, you made this statement? I thought he handled that with the class of a 11 **A**: toilet seat, people and students particularly. 12 13 Now, they also say here in this article, this gentleman, and it's a couple of lines below that 14 15 quote, that you were the unofficial advisor of St. 16 Louis University Student Newspaper, do you see that? 17 **A**: Yes. 18 0: Do you know where he would have gotten that 19 impression? 20 A: The University, by that time, in 2001 or 2002, they decided to hire an advisor from the 21 Business School and then, in fact, Pete Salsich from 22 Law School, they appointed them to be the Advisor 23 officially of the school paper, so I was the 24 unofficial advisor, but both Jim Fisher, F-I-S-H-E-R, 25

1.	in Busi	ness and Pete Salsich in Law, I know these
2 3		e're colleagues, we get along fine. They it was just pointless, so, they didn't hang
4	around,	so, they left, so, the official advisor, as
5	appoint	ed, quit twice over a period of three years,
6	two yea	rs each, and I stayed, so, I would have been
7	the uno	fficial advisor.
8	Q:	And who, who gave you the title "the
9	unoffic	ial advisor"?
10	A:	I guess the students.
11	Q:	The students did?
12	A:	(Witness Nods)
13	Q:	Now, is it accurate, and this is in the
14	second	column on that same page
15	A:	Okay.
16	Q:	towards the bottom, it's the next-to-last
17	paragra	ph, that says that you paid almost a thousand
18	dollars	;
19	A:	True.
20	Q:	for an ad in the St. Louis Post-Dispatch?
21	A:	I did.
22	Q:	Okay. And that's accurate?
23	A:	It is.
24	Q:	With regard to the last column, which is on
25	the nex	t page, it's about in the middle of the page.

1	or flace A: the Okay. The terms of the flace of the Second Region of the second region of the second region of
2 3	Q: You talk about there a plan to take the newspaper, or you call it, offshore.
4	A: Where is this paragraph again?
5	Q: It's the last column, the right hand column,
6	it's about in the middle of the page.
7	A: Okay.
8	Q: And there is a plan vaguely in the works to
9	take can you please tell me who was, who was
10	creating this plan?
11	A: This sentence says "there is a plan vaguely
12	in the works, I'm not behind it, but I'm part of it,
13	trying to raise enough offshore money to enable the
14	paper to have a secure place to operate from, and
15	we'll get there on our own accord". That was to try
16	to find a place to be. We were willing to pay rent so
17	we could still do the paper, but not have the
18	University hanging over our head with a free room or
19	not.
20	Q: I understand. Now, who was involved in this
21	besides you?
22	A: One alumni that I remember suggested we
23	should do this, to me, and my response was "we can't
24	afford it".
25	Q: And who is that alumni?

	107
1 t.,	A: A guy named Tom Downey.
2 3	Q: And who is Mr. Downey? A: He's the head of Boeing International P. R.
4	And he's in Paris, he was editor about 20 years ago.
5	Q: Okay. Anyone else?
6	A: No, that was the sole suggestion, but he's a
7	he's a fairly important person in McDonnell-Douglas
8	and Boeing.
9	Q: And did you share this idea with anyone else?
10	A: It's in the paper.
11	Q: It's in the paper. Did you share it with
12	anyone at The University News?
13	A: We probably talked about it, but we also knew
14	it was impractical.
15	Q: Who would you have talked about it with?
16	A: The staff.
17	Q: And who would have been on the staff at that
18	time?
19	A: Diana would have been the editor, Katie Lewis
20	would have been her right-hand man who followed her
21	and thereby would half a dozen other kids, let me
22	think whom. Jamie Robinson, that's M-I-E. Ian
23	Bannon, B-A-N-N-O-N, Adam Tabman, who is the editor
24	this year, I'm not sure who else would have been
25	there, but probably half a dozen kids, but it was

impractical because trying to find a place that we could afford, we'd have to go towards Wash U. Where the neighborhood is a little safer, because we stayed in St. Louis U., which is a little less safe, we're not going to do that and put the kids at risk, so, it was impractical.

- Q: And when did you talk to Mr. Downey about this, do you recall?
 - A: He called me.
- Q: Okay.

A: And this would have been probably over that spring break, he called about something, I don't remember what it was, it wasn't about the paper at all. He's a former editor, we stay in touch, all these kids stay in touch with me, and would just talk about things in general, Boeing and McDonnell-Douglas had been going through big problems, I was wondering if it was shaking him up. He called and told me how he was doing and this came up.

- Q: And how did this come up?
- A: He asked how the paper was doing, and I said "actually, they are rewriting the charter", and he said "again?" Because this was done in 1998-99, and he's aware of it, after his time.
 - Q: And did you tell him about the other two

	l	
1	issues t	that were going on that you had just testified
2 3	about? A:	I don't think so. I think just the charter,
4	just the	e charter.
5	Q:	And did you tell him that, in your opinion,
6	or that	Father Biondi had all the class of a toilet
7	seat?	
8	A:	No, I don't think I would have said that.
9	Q:	Might you have?
10	A:	I doubt it. Tom has his own opinions of
11	Father I	Biondi.
12	Q:	Did he share them with you?
13	A:	If I asked him.
14	Q:	But he didn't share them in that
15	A:	No.
16	Q:	Are there other references that you have made
17	to Fath	er Biondi besides this one?
18	A:	Probably not. He's accomplished a lot at the
19	school.	He's done great things with the appearance of
20	the camp	pus. I've been on record as saying this more
21	than on	ce.
22	Q:	Okay.
23	A:	He has.
24	Q:	Okay. But have you used other references
25	similar	to "the class of a toilet seat"?

1,00	A: Probably not, but that would have been the
2 3	lead of the article as well. Q: Did you ask Mr. Downey, with regard to, or
4	ask him any advice with regard to the name of the
5	newspaper?
6	A: No, that never came up.
7	Q: You didn't run that idea by him?
8	A: No. Again, this was a very vague idea. It
9	just came up. If I hadn't been asked about it, it
10	probably would have never been in the newspaper, but
11	I'm sure the reporter asked about it.
12	Q: Let me ask this; were you given I know
13	sometimes these articles are done through written
14	questions. Were you given any written questions with
15	regard to this article?
16	A: No, we met at some restaurant out in
17	Brentwood and we talked over two glasses of tea, for
18	about an hour.
19	Q: Okay. And did you keep any notes or
20	A: No.
21	Q: were you shared any notes?
22	A: No.
23	Q: Okay. And did you get to see an advance copy
24	of this article?
25	A: They don't do that, he told me.

ı			
1 -	el agen Q: tus.	You asked. Did you ask	
2 3		MR. GILL: Is that a question? (By Mr. Janoski) Yes. Did you ask?	E May a vila 197 a May a
4	A:	No, he told me.	
5	Q:	That they don't?	
6	A:	He said they don't send out preview copies.	
7	I didn't	ask.	
8	Q:	Okay. Have you well, in this article you	
9	also re	ference to Father Biondi as a super-weasel?	
10	A:	Yes.	
11	Q:	Have you mentioned have you identified him	
12	that way	λ.	
13	A:	I consider all administrators to be weasels	
14	in train	ning.	
15	Q:	Okay. But he's a super-weasel?	
16	A:	He is because he's the President, you can	
17	almost:	say that affectionately, depending on the	
18	context		
19	Q:	In the last column, again, the right-hand	
20	column,	the last paragraph of this article, when the	
21	reporte	r was asking you, let me ask this question, I	
22	take it	that the reporter was taking notes when you	
23	guys we:	re having these conversations?	
24	A:	He was.	
25	Q:	Was he also tape-recording it?	

1	A:	I don't remember. It's possible there was a
2		ape recorder on the table, but there was so ise in the background, I don't think I think
4	he might	t have turned it off because we were sitting in
5	the bar	section of a restaurant. I'm not sure about
6	that.	
7	Q:	Okay. It says here, as you are thinking
8	about ge	etting independent and you said "we're looking
9	into it	ıı Ş
10	A:	That's a reference to what goes on above the
11	paragra	ph, same thing.
12	Q:	No, no, I understand that.
13	A:	Same thing.
14	Q:	I understand that. Who else was looking into
15	it besi	des yourself?
16	A:	Tom Downey and me.
17	Q:	Okay.
18	A:	That's two people. We were the only people
19	that ta	lked about this.
20	Q:	And then you discussed it with the staff?
21	A:	We talked about it.
22	Q:	About going independent?
23	A:	Yes, but again, it was impractical and it
24	wasn't	possible. We couldn't afford it.
25	Q:	Now, just below that there is a sentence that

says "we have some real big shots who are U. News 1 2) Alumni, people with really important jobs, and they have really good income and they are going to help us set this up". 4 5 A: That probably should say "they could help us 6 set it up". Who were you referring to besides Mr. Downey? You're using the plural here and I assume that --8 9 That's true. Is it okay to answer this, 10 Brian? 11 MR. GILL: Sure, just testify with respect 12 to --13 A: Who they are? MR. GILL: -- whom you're referring to. 14 The front page editor of the Wall Street 15 A: 16 Journal is a guy named Mike McCarthy. The head of 17 publications from McGraw-Hill in Madrid is Erica 18 Jugala, these are former editors and they are still in contact. We trade Christmas cards. The guy who works 19 20 for Time Magazine in California, head of the Sports Department, his name is like Dominic Schmidt, and 21 they'd all be willing to help do this, but again it is 22 23 impractical. 24 (By Mr. Janoski) But you had conversations Q: with these people? 25

74 1 /	
2	Q: Who had conversations with them? A: Nobody. I just know they do, I knew where
4	these kids are, I know what they do. They don't know
5	about this, but that's who I'm thinking about. You
6	asked me who I'm thinking about, that's who.
7	Q: I was just asking who you're referencing.
8	A: That's who I'm referencing, that's who I'm
9	thinking about. Tom is the only one I talked to.
10	These guys and these young women, they have been gone
11	20 years, but there is still a link between the U.
12	News and them.
13	(Plaintiff's Exhibits 8 - 10
14	Marked for identification)
15	Q: (By Mr. Janoski) I want to hand you first
16	what's been marked as Plaintiff's Exhibit 8 and ask
17	you whether you have seen this document before.
18	A: The date on this again would be where?
19	Q: The date would be at the end, on Page 9.
20	A: December 10th.
21	Q: December 10th, 2007. It's titled
22	"Defendant's Answer and Affirmative Defense".
23	A: I'm not sure I understand what "affirmative
24	defense" means.
25	Q: Okay. Well

1		This looks vaguely familiar, but there's been
2 3		documents. Okay. Do you recall, after receiving,
4	sometim	e after receiving the Complaint
5	A:	This Complaint?
6	Q:	The Complaint which is Exhibit 7.
7	A:	Okay.
8	Q:	Okay. Then seeing Exhibit 8, which is the
9	respons	e to this Complaint?
10	A:	When would this this would be December 10.
11	And the	one I'm looking at is October 11.
12	Q:	Right.
13	A:	Yes. Yes, it does look familiar.
14	Q:	Okay. If you'll look at if you'll look at
15	Paragra	ph 9 of Exhibit 7, the Complaint.
16	A:	Page 2?
17	Q:	Page 2.
18	A:	You say 7?
19	Q:	Of 7, yes, sir.
20	A:	Okay.
21	Q:	These correspond back and forth, the
22	paragra	phs kind of, one responds to another.
23	A:	All right.
24	Q:	And it says there "SLU considers the name of
25	the pub	lication and the related caption to be valuable

1	intellectual property". Do you see that?		
2 3	A: Uh-huh. Q: Do you disagree with that statement?		
4	A: I guess I never considered it. It's not a		
5	matter of disagreeing.		
6	Q: Would you agree with that statement?		
7	A: The University News, those two words, I don't		
8	think anybody can own them, because I know of at least		
9	two papers in this State and other papers around the		
10	country, but the St. Louis U. Reference makes it a		
11	little different.		
12	Q: Okay. And would you agree that that is		
13	valuable intellectual property of St. Louis		
14	University?		
15	A: It depends on what the word "valuable" means		
16	in this case.		
17	MR. GILL: Objection, it calls for a legal		
18	conclusion, "intellectual property".		
19	A: I'm not sure I know what "intellectual		
20	property" means when you say it.		
21	Q: (By Mr. Janoski) Okay. Would you say that		
22	that, that name, has value to St. Louis University?		
23	A: Yes, yes.		
24	Q: Now, with regard to Paragraph 13, if you look		
25	at that, of Exhibit 7?		

1	A: Okay.
2 3	Q: It says "the March 16th, 2007, submission was made personally by Defendant Meyer without SLU's
4	knowledge or permission". Do you see that?
5	A: Yes.
6	Q: And that's a reference to the Exhibit A that
7	we went through, which is the incorporation?
8	A: Okay.
9	Q: Okay. Now, if you'll look at Paragraph 13 of
10	your answer, which is Exhibit 8, that's the one that
11	is in front of you there?
12	A: Okay.
13	Q: Okay. It says "Defendant is without
14	knowledge or information sufficient to form a belief
15	as to the truth of the averment that the submission
16	was made without Plaintiff's knowledge", do you see
17	that?
18	A: Yes.
19	Q: Now, you said that you told no one, is that
20	right?
21	A: I didn't talk to anybody about this until
22	after it was done.
23	Q: Okay. So, then how would St. Louis
24	University have any knowledge of this before you told
25	anyone?

		110
1	445 - A:	When did I say this?
3	Q: Complai	You said this in your answer to our
4	A:	Okay. Where does it say this again?
5	Q:	And if you look at, these paragraphs
6	coincid	e, so, we have Paragraph 13 of the Complaint,
7	which s	ays "the submission was made by you personally
8	without	SLU's"
9	A:	"Knowledge and permission".
10	Q:	"knowledge and permission", okay?
11	A:	Okay.
12	Q:	And then your response was "I don't know if
13	it was	made without SLU's knowledge or permission", or
14	"knowle	edge"?
15	A:	I didn't seek permission. I didn't know it
16	was nec	essary.
17	Q:	What about their knowledge, you didn't tell
18	anybody	??
19	A:	I didn't think about that.
20	Q:	So, you admitted that SLU had no knowledge?
21	A:	Of what?
22	Q:	Of you making the submission for
23	incorpo	pration under the name.
24	A:	Doesn't, in Paragraph 13 of Document 7, say
25	so?	

1	Agree A Q: And Right. As a great of the first factor of the first
2 3	A: No, I didn't talk to anyone about it. That's true.
4	Q: Okay. So, then that statement, that sentence
5	in Paragraph 13
6	A: Of Exhibit 7?
7	Q: of Exhibit 7, is true, the first sentence?
8	A: "I made the submission, myself, without SLU's
9	knowledge and permission." Yes, I didn't talk to
10	anybody about it, that's true.
11	Q: So, that's true, okay.
12	A: Yes.
13	Q: Now, with regard to Paragraph 20 of the
14	Complaint, which is Exhibit 7
15	A: 7, okay.
16	Q: down at the bottom. And it states
17	"Defendant Meyer has admitted that in connection with
18	the University News there is a plan", "there is a
19	plan, vaguely in the works", to start an independent,
20	competing newspaper." Is that not true?
21	A: Let's see, the quote from the article says,
22	it's on the second this is on the second page near
23	the end, I think it says "there is a plan vaguely in
24	the works, I'm not behind it, put I'm part of it".
25	Yes, that's generally what it says.

. 1	Q: Okay. So, that would be a true statement, is
2 3	that right? A: Generally.
4	Q: If you look at Paragraph 28 of the Complaint.
5	A: This is 7 again?
6	Q: Yes, sir, No. 7, Exhibit 7.
7	A: Okay.
8	Q: It says "Defendant", which, that is you?
9	A: Uh-huh.
10	Q: "Formed a Missouri nonprofit corporation
11	using SLU's 'St. Louis University' mark". That's
12	true, isn't it?
13	A: That's correct, as a subhead, yes.
14	Q: Now, if you will look at Paragraph 42 of the
15	Complaint.
16	A: Okay.
17	Q: And it states there, "without authorization
18	by Plaintiff, Defendant Meyer has formed a Missouri
19	nonprofit corporation using the name 'The University
20	News, a student voice serving St. Louis University
21	since 1921', for the purpose of publication of a
22	weekly newspaper." Do you see that?
23	A: I do.
24	Q: And that is true, is it not?
25	A: That is right off the form we talked about,

1	yes.	
2 3		Okay. So, can you tell me why in your answer ed that?
4	A:	Because the idea was to re-publish the same
5	paper we	e're publishing right now if the students
6	needed i	t.
7	Q:	I understand that.
8	A:	It's not a new paper. This implies it is,
9	but it's	s not.
10	Q:	But the statement in 42 is true, is it not,
11	those wo	ords are true?
12	A:	"For the purpose of publication". Actually,
13	it would	d be more correct to say "of the continued
14	publicat	tion", would be more accurate.
15		MR. GILL: Which paragraph, 42?
16		MR. JANOSKI: 42 of Exhibit 7.
17	A:	It would be correct to say "continued",
18	although	n it's not included, but it was implied, it's
19	implied	•
20	Q:	(By Mr. Janoski) But those are true
21	statemen	nts. Now, if you look at Paragraph 45.
22	A:	Okay.
23	Q:	That says "any publication by Defendant is
24	without	the authorization of SLU", do you see that?
25	A:	Uh-huh.

1	Q: And that would be true, correct?
2	A: It was never contemplated and never done. Q: I under well, no well
4	A: It was never contemplated and never done.
5	Q: But any publication by you would be without
6	authorization of St. Louis University?
7	A: "Would be" is correct, but it says "is".
8	"Would be" is correct, "would be without
9	authorization".
10	Q: Okay, "would be without authorization", okay.
11	Now, if you'll look at Paragraph 86, which is on Page
12	12 of Exhibit 7.
13	A: Okay.
14	Q: There is a statement in there that "Defendant
15	is not a licensee of the marks 'St. Louis University',
16	'The University News', or the related caption, 'A
17	student voice serving St. Louis University since
18	1921.'" That's true, is that not?
19	A: You'll have to define "licensee of the
20	marks".
21	Q: That is someone who has been authorized by
22	St. Louis University.
23	A: No, that is a definition I wasn't authorized.
24	Q: I assume that when you answered this
25	Complaint, you consulted with your counsel, is that

1	correct?	
2 3	A: By this time, yes, I would have. Q: And your counsel signed this document and you	
4	would have consulted with them in the filing of this	
5	document	
6	A: I assume.	
7	Q: your Answer and Affirmative Defense?	
8	A: I assume.	
9	Q: Now, if you look at Paragraph 96, also, you	
10	state on March 16th, 2007, "Defendant Meyer formed a	
11	corporation, referred to as 'The University News, a	
12	student voice serving St. Louis University since	
13	1921.'" That's true, correct?	
14	A: That's one of the documents we have, that's	
15	true.	
16	Q: So, there was no reason to deny that in your	
17	answer?	
18	A: No.	
19	Q: Now, I want to hand you what's been marked as	
20	Plaintiff's Exhibit 9 and ask whether you have seen	
21	this document before.	
22	A: I'm not sure about it. Do I have a copy of	
23	this?	
24	Q: It was filed by your lawyers on February 1st,	
25	2008.	

1	A: I must have. I must have a copy of it
2	someplace. Q: Okay. In this document, which was filed by
4	your lawyers in this case, it says, and is entitled
5	"Defendants Initial Disclosures Under Rule 26 (a)(1)".
6	A: Uh-huh.
7	Q: It says, Paragraph A, "the following persons
8	likely to have discoverable information that Defendant
9	may use to support its claims or defenses, unless
10	solely for impeachment, include: And it says "name,
11	Diana Benanti"?
12	A: Yes.
13	Q: Do you see that?
14	A: Yes.
15	Q: What information is it that you intend to use
16	from her to support your claim or your defense?
17	A: She knows that the reason I filed it was to
18	save the name for the next year's staff, because we
19	talked about this.
20	Q: Is that the extent of the knowledge for which
21	you intend to use her?
22	A: As far as I know, that would be all we talked
23	about. I told her I had registered the name and why,
24	and that maybe next year it would be important,
25	depending on what the students decided to do after we

learned what they have actually done to the charter. 1 Q: When did you -- do you recall when you talked to Ms. Benanti? After I registered it, but I don't know if it 4 5 was the next day or the next week. Since it was spring break, it probably wouldn't have been right 6 7 way. And would that have been in the offices of 0: 9 the University News? 10 **A**: We also had two classes that semester, so, it 11 could have been anywhere, anytime. 12 Did you ever meet with Ms. Benanti at a class Q: 13 or away from the University News offices? 14 When we were in the office on publication 15 night, we talked then when it came up. 16 But could you have talked to her at some Q: 17 other time, also? 18 Possibly, but she was going through a really 19 rough time then, trying to get this straightened out, she had to take an extra job to make up for the lack 20 of tuition remission that she had lost, and I didn't 21 22 want to belabor it so, I probably just discussed this 23 with her briefly in the office, I would guess. At the 24 time it didn't seem crucial. Are there any other discussions that you had 25 Q:

1			
1	with Ms. Benanti with regard to the circumstances		
2	underlying this lawsuit? A: Not that I remember. It was just the basic		
4	conversation, "I registered the name and here is why.		
5	We'll see what they do with the charter".		
6	Q: Now, do you have an address or telephone		
7	number for Ms. Benanti?		
8	A: No, we talk occasionally on our cell phone,		
9	but she her father refused to pay SLU any more		
10	money, he's pretty upset about the way things		
11	happened. I hear this from her, not from him, I		
12	haven't talked to him. Diana insisted she finish her		
13	University education back in Illinois.		
14	Q: Do you have her cell phone number?		
15	A: Not with me.		
16	Q: Okay. But you have her cell phone number?		
17	A: I do. We talk now and then.		
18	Q: Do you have her address, do you write		
19	A: I do not, no. We just talk on the phone.		
20	Q: Do you know why you didn't give her cell		
21	phone number here in response to this, where it says		
22	"address and telephone number"?		
23	A: I don't know the cell phone number, I don't		
24	know the cell phone number. I've got it written on a		
25	piece of paper in my office.		

1	Q:	Right, I understand that. You have that
2	informa	tion? I do, somewhere, somewhere.
4	Q:	But you didn't give it to us as required?
5	A:	I don't remember that you asked for that.
6	Q:	Well, I can read there under the name
7	A:	Does it say that?
8	Q:	it says "address and telephone number".
9	A:	When I filled this out, I really, really
10	might no	ot have known that. It's possible. Her
11	address	I really don't know, and the telephone number
12	I might	not have had handy. I don't know it. It's
13	availab	le, but I don't know it.
14	Q:	So, you understood, you took this to mean
15	that you	u knew it by memory, not that you didn't have
16	the info	ormation?
17	A:	Do you know where it is? When I filled it
18	out, it	might not have been available. I'm not sure
19	where i	t is right now. She calls me more than I call
20	her, mo	re often than I call her.
21	Q:	Now, the subject here is the filing of the
22	Article	s of Incorporation dated March 16th, 2007. Do
23	you see	that?
24	A:	What are we reading from?
25	Q:	I'm reading from Exhibit 9, under Paragraph

1 A: 2 Oh, filing the Articles of Incorporation, 3 okay. Under "subjects". 4 Q: 5 A: Okay. 6 0: What information does she have with regard to that? 7 A: I told her I had registered the name after I 8 9 did it, but I don't remember how long. It had to have 10 been a week, probably, because that was done during 11 spring break and that's the information she would have. 12 13 0: Did you show her the documents? I don't think I would have had them on me. I 14 **A**: 15 mean, I just put them in a folder in my office. I 16 don't think any of this, none of this seemed crucial 17 at the time. Didn't seem like it was important at the 18 time. 19 Would you have shown them to her at some 20 point in time? It's possible, but I don't remember that. I 21 just don't remember. None of this seemed crucial at 22 the time because we decided, if the charter was 23 acceptable, we'd give the name back. We were trying 24 to save it for the students, I was trying to save it 25

	•	· · · · · · · · · · · · · · · · · · ·
1	for the	students.
2 3	Q: A:	Now, you do you e-mail with Ms. Benanti? No, I haven't, not for a long time.
4	Q:	When you say "a long time", what does that
5	mean?	
6	A:	It's been a year, at least, since she left.
7	Q:	And you haven't e-mailed her since she left?
8	A:	No.
9	Q:	The way you talk to her is by cell phone?
10	A:	Correct.
11	Q:	Do you recall how often you talked to her?
12	A:	I called her probably the middle of the first
13	semeste	r to see how she was doing, she was at the
14	hospital with eye problems and we talked about that	
15	and how her new semester is going. And around	
16	Christmastime we spoke about her being in town maybe	
17	visiting other U. News kids, and I don't remember	
18	since then I've even spoke to her, in the last two or	
19	three or four months, because she's got an awful lot	
20	going o	n in her life right now.
21	Q:	You have had no conversations with her in the
22	last two	o or three months?
23	A:	She might have called and left us a message
24	at home	, but that's been awhile.
25	Q:	Do you recall what the message was that was

left? 1 2 Give her a call. Okay. Did you call her? 3 0: I don't remember if I did or not. A: 4 5 Q: Do you recall when it was decided that the 6 charter was acceptable? 7 MR. GILL: Objection. Acceptable by whom? MR. JANOSKI: Well, acceptable by the 8 students. 9 10 MR. GILL: The students. (By Mr. Janoski) The students. 11 Q: It's really not me and the students. 12 A: 13 the students, acceptable to them. 14 Q: Okay. 15 A: The new editor, they did a summer issue, they 16 planned to do a summer issue, and in fact called me 1.7 when I was in England to talk about a problem they had run into with support from the University for the 18 summer issue, and I won't go into that unless you want 19 20 to hear about it, and she just said -- she said then, this would have been probably July, that they weren't 21 sure if they were going to be able to accept this or 22 not, but they wanted to talk about it when I got home. 23 When I got home, it was early August, I guess, I don't 24 remember the exact date, probably about the same time 25

1,	I got a letter from you, she decided that they were		
2	going to give us a try after all.		
3	Q: You don't recall that this was worked out		
4	sometime in the spring of 2007, do you?		
5	A: Not with me.		
6	Q: I understand not with you.		
7	A: If the kids did it, I don't really know about		
8	it.		
9	Q: Okay. They wouldn't have told you?		
10	A: They if it was spring and school is out,		
11	probably not. When school is in session, they might		
12	have.		
13	Q: Okay. And they would have told you that they		
14	had worked everything out and they were going to try		
15	it with the University?		
16	A: Well, that couldn't have happened until you		
17	get a new editor, and that doesn't usually happen		
18	until the spring semester is almost over, because it's		
19	the new editor's call, not the old editor's call.		
20	Q: So, when would the new editor have come on		
21	board?		
22	A: Customarily the new editor is elected about		
23	two to three weeks in advance of the end of the		
24	semester, because he or she does the last edition by		
25	him or herself.		

1	Q: That would have been in April of 2007?
2 3	A: Late April. Q: Late April of 2007?
4	A: But by that time the decision on the charter
5	had not been made by the Board of Trustees, so, we
6	didn't know what to do until they decided what they
7	are going to do.
8	Q: If Ms. Benanti had told you that they wanted
9	to go off campus with this newspaper and had moved off
10	campus, would you have given them the name of the
11	corporation?
12	A: That couldn't happen because Diana wouldn't
13	be the editor the follow year.
14	Q: No, I am asking you
15	A: No, it couldn't happen. That's what I'm
16	saying, it couldn't happen.
17	Q: If an editor had told you that they wanted to
18	go off campus and wanted to use that name, would you
19	have given them that name?
20	MR. GILL: Objection, calls for facts not
21	in evidence.
22	Q: (By Mr. Janoski) I think that's what he's
23	testified to. I just want to make sure.
24	A: That was the original intent, that was the
25	original intent, to save this for the students.

Q: All right. So, tell me, why did you tell Ms.

Benanti then, in March of 2007, about the registration, if there was going to be a new editor in place in April?

A: I thought it would actually make her feel better. She was having a terrible semester. She not only lost -- she had quit her job going into the semester because she assumed she would be getting full tuition remission, as everybody had for three decades before her, and then the first week of school, or maybe the week before it began, she found out it was being cut almost in half, so, she not only had to do the paper, which was a 60-hour a week job, nominally, she had to get a part-time job at some restaurant, maybe Cracker Barrel, working on weekends, which she had not planned to do, and it was killing her.

Q: And so, you were going to make her feel better because you had gone out and you had registered the name of the newspaper?

A: That's not --

Q: Is that right?

A: That's not the actual reason. It was part -it was part of the legacy that she was leaving behind.

Each of the editors feels like they are part of the
University News legacy, she didn't want this to die on

1	
1	her watch, and she thought if the paper's charter was
2	so severe that it would kill the paper, that the paper
3	would die, and I thought it would make her feel good
4	that at least I had tried to save the name.
5	Q: Right. And that you had gone out and you had
6	registered the name?
7	A: Correct.
8	Q: And that was to make her and you told her
9	that to make her feel better?
10	A: I hoped it would.
11	Q: And you were going to make her feel better
12	because you had stuck it to the University by going
13	out and registering the name, correct?
14	MR. GILL: Objection, mischaracterizes his
15	testimony.
16	A: Since it's a non-profit organization, it cost
17	me \$25 and cost them nothing, I'm not sure "I stuck it
18	to it" is accurate.
19	Q: (By Mr. Janoski) But you went out, and
20	unbeknownst to the University, you went and registered
21	that name, that's correct, right?
22	A: Correct, and it cost me \$25 and it cost them
23	nothing.
24	Q: Right. I want to hand you now what's been
25	marked as Defendant's Exhibit or Plaintiff's

1	Exhibit 10 and ask you if you had seen this document
2 3	before. A: And the date is at the end, as usual.
4	Q: The date is at the end, yes, sir, March 19th,
5	2008.
6	A: It's March 14, correct.
7	MR. GILL: It's he's referencing to the
8	file, when it was filed or actually, I'm sorry, not
9	filed, when it was provided to the other
10	A: March 14th is what I'm looking at.
11	Q: (By Mr. Janoski) Right. And on the last
12	page, Page 14, I was getting to go there, is that your
13	signature above your name?
14	A: It's on the last page?
15	Q: The last page.
16	A: It is.
17	Q: Okay. That's your signature?
18	A: It is.
19	Q: And you signed this on
20	A: March 14th, it says.
21	Q: March 14th, 2008, and you signed this
22	under the penalty of perjury, is that right?
23	A: That's what I understand.
24	Q: Right. Now, if you'll look at Page 3, and
25	these are the Defendant's Answers, this document is

entitled "Defendant's Answers to Plaintiff's First Set 1 of Interrogatories"; is that right? You'll see that 2 on Page 1. A: Uh-huh. 5 You have to say "yes". Q: 6 **A**: Yes, I'm sorry. 7 Thanks. And if you look at Interrogatory Q: 8 Answer No. 2, and it's on Page 3, it says "identify all persons with knowledge of the nonprofit 9 10 organization, including, but not limited, to those 11 persons with knowledge of the nonprofit organization's 12 formation", and it lists yourself and it lists Diana Benanti. 13 A: Uh-huh. 14 15 Okay. Now, is her knowledge only that which 16 you told her? 17 I told her why I had registered it and when 18 and what the purposes were. And she's the only one I 19 talked to about this initially. 20 0: Okay. Have you talked to anybody about this 21 since then? A: Since then? 22 Yes. Since --23 Q: 24 **A**: Not back then, not back then, I didn't. 25 0: Okay.

. <u>1</u> .	A: We kept it just between the two of us.
2	Q: And when did you then tell another person about this?
4	A: That would be really hard to pinpoint.
5	Q: Okay.
6	MR. GILL: Objection, vague. Who are you
7	talking about, when or
8	MR. JANOSKI: Well, I'm trying to figure
9	out who else he told.
10	A: Well, since there is a lawsuit on line,
11	anybody can find out about it. It wouldn't be tough
12	to find out about it.
13	Q: (By Mr. Janoski) Right. And all I'm asking
14	is, to your understanding, as of March the 19th, when
15	you signed it, so, March the 14th, 2008, who in
16	addition to yourself and Ms. Benanti, to the extent
17	that she has knowledge, has knowledge about the
18	formation of the non-profit organization?
19	A: Probably, no one else would know all four of
20	these aspects, the formation, the incorporation, the
21	existence and the dissolution, all of that, all of
22	that stuff.
23	Q: I understand that. But this is broken down
24	into four parts, Interrogatory No. 2, and all I'm
25	asking about is Part A, the formation.

1.	A: The staff probably knew about it by that
2	time. Q: Okay. And so, you didn't list them?
4	A: Well, I assumed that all four parts are in
5	one big answer.
6	Q: Well, I'll tell you, I'm sure that you
7	consulted with your attorneys for that, and you were
8	also a well-known, English Professor and I think you
9	understand this better than you're leading on right
10	now.
11	A: You're welcome to your opinion.
12	Q: Who else would have been
13	A: The staff would have known about this.
14	Q: Okay. Anyone else besides the staff?
15	A: But not to the degree that she did.
16	Q: I understand that.
17	A: Yes.
18	Q: And everybody knows something to some degree.
19	Who else besides the staff?
20	A: Some of the names I have mentioned before for
21	the people that were there last year, almost exactly
22	the same names, which I think he has a record of.
23	(Indicating)
24	Q: Okay. What about the incorporation of the
25	nonprofit organization?

1	A: The formation of corporate existence, they
2 3	are all sort of wrapped up together is, which is how I read this, all four of these things apply. She knew
: 4	about all of them.
5	Q: I understand that. Who else?
6	A: Again, the same bunch, the staff knew about
7	this as a group, and he has the names. (Indicating)
8	Q: Okay. And anyone else that would have known
9	about this?
10	A: Not that comes to mind, no.
11	Q: That you would have told?
12	A: Not that comes to mind now.
13	Q: That you would have shared with?
14	A: No, it was strictly a U. News thing for a
15	long time.
16	Q: Okay. But, I guess what we're talking about
17	is as of March 14th, 2008, who would have, who would
18	you have shared that information with?
19	MR. GILL: Objection, asked and answered.
20	Q: (By Mr. Janoski) I just want to make sure
21	that he understood the question, because he's
22	obligated, which, he signed this under oath to give us
23	full and complete answers, which he hasn't done, and I
24	just want to now try to get, to the best that we can,
25	full and complete answers.

1	A: Diana Benanti and the staff knew about most
2 3	of them. She knew about all of it. Q: Okay. Who else have you shared this type of
4	information with that would have knowledge of these
5	particular facts?
6	MR. GILL: Again, objection, asked and
7	answered. You asked "shared", you asked "knowledge".
8	A: This is almost impossible to answer
9	considering how long ago all this happened. It's hard
10	to be accurate, and I'd rather be accurate.
11	Q: (By Mr. Janoski) And that's why we give you
12	30 days to answer these things.
13	A: I understand.
14	Q: So that you can be accurate, which you
15	haven't been.
16	THE VIDEOGRAPHER: Excuse me, three
17	minutes.
18	MR. JANOSKI: Let's take a break.
19	THE VIDEOGRAPHER: We're off the record
20	with Tape 3 at 5:10.
21	(Recess)
22	(Plaintiff's Exhibits 11 - 15
23	Marked for identification)
24	THE VIDEOGRAPHER: We're on the record
25	with Tape No. 4 at 5:33. Please continue.

1.	Q: (By Mr. Janoski) Dr. Meyer, we're back on
2 3	the record. You're still under oath. A: I understand.
4	Q: If you'll refer back to Exhibit 10.
5	A: 10?
6	Q: Yes, sir. With regard to Interrogatory No.
7	4, and it asks for "all persons with whom you have
8	communicated regarding the Non-Profit Organization,
9	including, but not limited to, those persons with whom
10	you have communicated concerning the Non-Profit
11	Organization's: A, formation, B, incorporation, C,
12	existence, D, dissolution or termination". You
13	answered, for all four of these, "Diana Benanti", but
14	I take it that, based on your testimony here, that
15	there were other people that would be, that your
16	answer would be the same as it was for No. 2, is that
17	correct?
18	A: No. 2 says
19	Q: "With knowledge", and No. 4 says "who you
20	have communicated with".
21	A: She's the one who knew all about this up
22	front.
23	Q: Right.
24	A: Yes.
25	Q: But you said that there were other people

1.	that you have communicated with.
2	A: I talked to staff about this later, much
3	later. Who they talked to, I can't imagine.
4	Q: And then would that be face-to-face
5	conversations with the staff?
6	A: I'm sure it was.
7	Q: Okay. Any e-mail
8	A: I doubt it.
9	Q: correspondence?
10	A: I doubt it. It would have been on
11	publication night, it probably came up, but this would
12	be after spring break and much later in the semester,
13	probably.
14	Q: Okay.
15	A: But again, I answered this because I see all
16	four of these. This covers Diana Benanti only.
17	Q: Right. And see, these are a little different
18	because we're trying to get all information, and
19	that's why we change sometimes the words.
20	A: That would be the names of the staff, which I
21	think the gentleman has. (Indicating)
22	Q: Okay. And then anyone else that you would
23	have talked about that you have testified here today,
24	like Mr. Downey, also?
25	A: Well, this was 3/14 did you say?

1 Q: Yes, sir. 2 Some of the names I mentioned were in my mind, but I haven't talked to them about it, but it's 3 4 possible that they wrote me, I didn't initiate the 5 conversation, but how much passed, I have no idea. 6 They might have just said how the paper is doing, and 7 I might have said "we're fighting the charter". It depends on the time, because until the charter was 8 9 confirmed and the kids decided what to do about it, 10 this was sort of held in abeyance, the name was held 11 in abeyance. 12 Well, the name was incorporated with the 13 Secretary of State. But it hadn't been used by anybody for any 14 A: 15 purpose for any reason. 16 Q: Okay. 17 And I saw it as registering a name, not 18 registering a corporation. If I was wrong, I was 19 wrong, but that's not how I saw it at all. I was just 20 registering a name. 21 Now, in No. 7, Interrogatory No. 7 --Q: 2.2 A: This is Page 5? 23 Yes, it's on Page 5 of Exhibit 10. Could you 0: please explain why it was registered as "the 24 University News, a student voice serving St. Louis 25

1	University since 1921"? There is a change there?
2 3	A: There is. I could not remember exactly what the subhead said, so, I just took a guess, that's why.
4	There is no ulterior motive. I had to memorize this.
5	I didn't have a paper in hand, and it had never been
6	registered before, so, I thought "is that what it
7	says?" I wasn't sure what it said. I got pretty
8	close. I just took a guess.
9	Q: Okay. And you'd been with the paper since
10	the mid-1970's?
11	A: Correct.
12	Q: Over 30 years, correct?
13	A: And that one word got away from me.
14	Q: And
15	A: If I had had the paper in my hand, I probably
16	would have remembered.
17	Q: And then in No. 9, it says "identity all
18	facts concerning the dissolution or termination of the
19	Non-Profit Organization on or about August 21st, 2007,
20	including, but not limited to the reason the
21	Non-Profit Organization was dissolved and/or
22	terminated". Do you see that there?
23	A: I do.
24	Q: Okay. And you say, in addition to your
25	attorney asserting some objections, "a decision was

1	made that the non-profit was not necessary or would
2 3	not be utilized for any purpose". Do you see that? A: Yes.
4	Q: Now, I thought that the reason was it was in
5	response to a letter that I had sent you in August.
6	A: That arrived almost at the same time. That
7	was a coincidence, but it happened.
8	Q: Okay.
9	A: About the same time your letter came is about
10	the same time the staff got together for the new year.
11	Q: Okay. And it seems that almost a day or two
12	after you received my letter, that you went and
13	dissolved the corporation?
14	A: Yes.
15	Q: Is that right?
16	A: As you requested, yes.
17	Q: Okay. Do you recall who you talked to with
18	regard to this decision that it was not necessary and
19	would not be utilized for any purpose?
20	A: Probably Katie Lewis, the new editor then.
21	Q: Okay.
22	A: She's not the editor now. She would have
23	been then.
24	Q: Right.
25	A: It was her call, as it had been Diana's the

year before. 1 2 Q: So, then you would have disclosed also to Katie Lewis the fact that you had this understanding? I was going to ask her what she was going to 4 5 do, without telling her what I was going to do, necessarily, because, when she decides what she's 6 going to do, that determines what I'm going to do. 7 I'm reading this here, and I just want to 8 make sure it's clear, that addition was made that the 9 10 Non-Profit Organization was not necessary and would not be utilized for any purpose? 11 12 A: It seems accurate. And I'm asking, was the decision between you 13 0: and Katie Lewis? 14 15 It was my decision based on what Katie Lewis 16 said. If she decided that the students would go ahead as a staff and try to work under the new rather strict 17 charter, then it was no reason for me to try to save 18 the name, which I had done, they didn't need it 19 20 anymore. And about the time I got your letter, that worked out. 21 Okay. Do you remember when it was that you 22 0: got back from your trip to Europe? 23 This is probably more than you need to know. 24 A: My younger brother had a heart attack and my father 25

fell, he's 83 and frail, and fractured his arm a week 1 before we were supposed to come back, which I think it 2 would have been about August 12, so, we had to pay a penalty and get tickets to come home because we 4 5 weren't sure my brother would make it, but he did, my 6 father healed, so, it would have been 5, 6, 7 August, something like that, and then when we got here, we went straight to Cape Girardeau, to check them out. 8 9 Q: Okay. About then, early August. 10 11 Q: So, it would have been in early August. sorry to hear about your family. 12 No, it's just -- it just happens. I want to 13 add that I was not ignoring your Petition, but this 14 sort of dominated my life when I got home for several 15 16 days, so, by the time I got to it, I responded. 17 Uh-huh. Now, you say in No. 10, Interrogatory No. 10, that Harry Levins was also your 18 19 supervisor at the Post-Dispatch? He was one of them. There were several. 2.0 A: 21 Q: Okay. 22 But he was -- most of the time, he was the boss, most of the time. It varies. 23 Okay. Now, I take it, with regard to 24 Q: Interrogatory No. 11, it asks for "all facts 25

1 concerning any and all plans that you have, had had or 2 are aware of, to start or utilize an independent 3 newspaper to be distributed to St. Louis University students, including, but not limited to, A", and you 4 said here, you contemplated starting a newspaper by 5 6 the name of The University News, student voice serving St. Louis University since 1921. The types of stories 8 I assume, here it says "none", but if that newspaper would have gone forward, they would have been the same 9 10 types of stories that it was presently printing, is 11 that right? 12 **A**: Presumably, presumably. It was up to the staff again, not up to me. It was up to the staff, 13 but none of that ever happened. 14 15 0: I understand. The names and addresses of any 16 employees who had worked for the independent 17 newspaper, I take it that that probably would have been the same staff? 18 19 This is the same people. It would have been the same staff. The 2.0 0: 21 qeographic areas included in the circulation of the 2.2 independent newspaper --Would have all stayed the same. 23 **A**: 24 -- would have stayed the same, and any and Q:

all steps taken to initiate such an independent

25

1 newspaper you had incorporated? A: None of that was ever taken, none of that was 2 3 ever taken. None of it ever happened and none of it was planned. It was all vague. 4 MR. GILL: I would object to the last line 5 6 of questioning, with respect to facts not in evidence, but --8 Q: (By Mr. Janoski) Okay. But you did incorporate under that name, that newspaper name? 9 I saw it as registering a name, but I quess I 10 11 incorporated. It's not how I saw it. That's how it 12 ended up. Now, No. 12 says "identify all facts 13 concerning any interviews you granted or participated 14 in, including, but not limited to, any interview with 15 16 KWMU or St. Louis Magazine, during which the 17 Non-Profit Organization or St. Louis University's campus newspaper, The University News, was discussed 18 19 or mentioned", and the answer here, quite remarkably to me, is "none". Now, do you recall doing an 20 21 interview with KWMU? 22 I do. I was one of four people on the air, 23 but one was me. 24 0: And do you recall discussing The University 25 News?

· I	
. 1	A: There were a couple of questions about it,
2 3	yes. Q: Okay.
4	A: And about the degree to which I was now an
5	emeritus as opposed to regular advisor, something like
6	that.
7	Q: Okay. And anything else that you remember
8	about that
9	A: I don't remember anything coming up about
10	this quasi-phantom organization that was supposed to
11	be putting the paper out, that you referred to.
12	Q: Okay. Well, it says "either the Non-Profit
13	Organization or St. Louis University's campus
14	newspaper, The University News".
15	A: But that's two different things.
16	Q: Correct.
17	A: Yes.
18	Q: Do you remember telling do you remember
19	discussing about, during that interview, during a
20	portion of that interview, that you registered the
21	name of The University News way back in March of last
22	year, so that "the rumors were that they were going to
23	re-write our charter and take our name away"?
24	A: I think probably said "could take our name
25	away", but if I said that, yes, that's pretty close,
