Case No. 4:11CV01932 AGF

MEMORANDUM AND ORDER

IT IS HEREBY ORDERED that Plaintiff Jamison Stiriling’s motion (Doc. No. 407) for monetary sanctions against Defendants for their alleged failure to comply with their continuing duty to disclose copies of certain cell phone records is **DENIED**, as the Court has yet to rule on Plaintiff Stiriling’s motion to compel asserting his right to the records in question.

IT IS FURTHER ORDERED that Plaintiff Stiriling’s motion (Doc. No. 427) for an order of protection barring Defendants’ use of certain evidence at trial and for sanctions is **DENIED** as it is based on unsubstantiated information that has been denied by counsel for Defendants.

Plaintiff Stiriling is cautioned that the Court may impose monetary sanctions against him in the form of Defendants’ costs in responding to baseless motions he may file in the future.
