Subject: Internet Content Filtering RENEWAL

April 6, 2009

**Salem Public Library
 Glenda Brown**

SERVICE RENEWAL~THIS IS NOT A BILL

It is time to renew your Internet Content Filtering subscriptions for next fiscal year (July 1, 2009 – June 30, 2010). Before MOREnet can renew your subscriptions, we need to know the number of Internet-accessible computing devices you currently have. You need to purchase subscriptions for all Internet-accessible computing devices at your organization. Please refer to the price schedule below. If you have an increase in the number of Internet-accessible computing devices at any time during the next year, please let MOREnet know so that we can purchase subscriptions for them and then bill you.

You *must* respond to this request to continue to receive filtering through MOREnet for FY10. Once your response is received, MOREnet staff will work with you to migrate to Netsweeper, our new filtering solution. See www.more.net/netsweeper for additional information.

All Renewals or Cancellations MUST be received by June 1, 2009. There will be no refunds for cancellations received after July 1, 2009.

INSTRUCTIONS:

- (1) Click "Reply"
- (2) Indicate the number of Internet-accessible computing devices.
 ~ OR ~
- (3) Return form via e-mail to adminsuff@more.net, or by fax to 573-884-8917.

We have 16 Internet-accessible computing devices.

The table below contains the price list for FY10. You don't have to pay anything now; we will bill you later.

Total number of Internet	Pack size	Annual cost per
--------------------------	-----------	-----------------

-accessible computing devices		pack for FY10
1-500	10	\$34
501-1,000	10	\$31
1,001-2,500	10	\$28
2,501-5,000	10	\$25
5,001-7,500	10	\$22
Over 7,500	10	\$19

Conditions for Use

Internet Content Filtering users are subject to MOREnet Service Policies

(<http://www.more.net/about/servicepolicies/>).

To cancel this service, please send notice by email or fax to:
