SERVICE RENEWAL~THIS IS NOT A BILL

It is time to renew your Internet Content Filtering subscriptions for next fiscal year (July 1, 2010 - June 30, 2011). Before MOREnet can renew your subscriptions, we need to know the number of Internet-accessible computing devices you currently have. You need to purchase subscriptions for all Internet-accessible computing devices at your organization. Please refer to the price schedule below. If you have an increase in the number of Internet-accessible computing devices at any time during the next year, please let MOREnet know so that we can purchase subscriptions for them and then bill you.

All Renewals or Cancellations MUST be received by June 1, 2010. There will be no refunds for cancellations received after July 1, 2010.

INSTRUCTIONS:

- (1) Click "Reply"
- (2) Indicate the number of Internet-accessible computing devices.
 ~ OR ~
- (3) Return form via e-mail to adminsapp@more.net, or by fax to 573-884-8917.

We have 16 Internet-accessible computing devices.

The table below contains the price list for FY11. You don't have to pay anything now; we will bill you later.

Total number of Internet-accessible computing devices	Pack size	Annual cost per pack for FY11
1-500	10	\$34
501-1,000	10	\$31

1,001-2,500	10	\$28
2,501-5,000	10	\$25
5,001-7,500	10	\$22
Over 7,500	10	\$19
