Great. I advised the Judges clerk when she called to advise of the telephone hearing that we were trying to work it out, expected to be successful and I didn't think a telephone conference ultimately would be required. We will draft a motion which proposes extending the deadlines and represent in it both parties agree to the changes. A copy will be sent to you for approval before filing.

Let us know when your client's health improves so as to allow her to appear at deposition.

Just read your fax. If it is OK with Judge Webber, we are more than agreeable, as you propose, to extending the time to disclose and file your expert's report seven days beyond the date we are able to coordinate our client's deposition and then allowing us 21 days to depose your expert beyond the expert report date.
