This matter is before the Court on petitioner's motion to proceed in forma pauperis. The Court will grant the motion. Additionally, the Court will transfer this case to the United States District Court for the Western District of Missouri.

In such an instance as this, the Court may transfer the petition to the Western District "in furtherance of justice . . ." Id. Additionally, the Court has entered an administrative order stating that, absent any unusual circumstances, any habeas petition challenging a conviction or sentence arising out of a proceeding in the Western District of Missouri should be transferred to that district.
