  )  
DOUGLAS PRUDDEN,                        )  
  )  
  Respondent.                    )

**MEMORANDUM AND ORDER**

This matter is before me on the petition for writ of habeas corpus filed by Petitioner Richard E. O'Donnell. I referred this matter to United States Magistrate Judge David D. Noce, for a report and recommendation on all dispositive matters pursuant to 28 U.S.C. § 636(b). On August 30, 2016, Judge Noce filed his recommendation that O'Donnell's habeas petition should be dismissed.

No objections to Judge Noce's Report and Recommendation were filed. After careful consideration, I will adopt and sustain the thorough reasoning of Judge Noce and deny O'Donnell's habeas petition for the reasons stated in the Report and Recommendation dated August 30, 2016.

I have also considered whether to issue a certificate of appealability. To grant a certificate of appealability, the Court must find a substantial showing of the denial of a federal constitutional right. *See Tiedeman v. Benson*, 122 F.3d 518, 522 (8th Cir. 1997). A substantial showing is a showing that issues are debatable among reasonable jurists, a Court could resolve the issues differently, or the issues deserve further proceedings. *Cox*

*v. Norris*, 133 F.3d 565, 569 (8th Cir. 1997) (citing *Flieger v. Delo*, 16 F.3d 878, 882-83 (8th Cir. 1994)). Because O'Donnell has not made such a showing in this case, I will not issue a certificate of appealability.

Accordingly,

**IT IS HEREBY ORDERED** that Judge Noce's Report and Recommendation, [ECF 21], filed August 30, 2016 is adopted and sustained in its entirety.

**IT IS FURTHER ORDERED** that Petitioner's Petition for Writ of Habeas Corpus, [ECF 1], is **DENIED**.

**IT IS FURTHER ORDERED** that the Court will not issue a certificate of appealability. A separate Judgment in accordance with this Memorandum and Order is entered this same date.

Dated this 30<sup>th</sup> day of September, 2016.
