19. The District Court reserves the right to adjourn the Fairness Hearing or any

adjournment thereof without any further notice other than an announcement at the Fairness Hearing or any adjournment thereof, and to approve the Settlement without further notice to the Class.

21. Pending final determination of whether the Settlement should be approved, all Settlement Class Members, and each of them, and anyone who acts or purports to act on their behalf shall not institute, commence or prosecute any action which asserts Released Claims against any of the Released Persons.

22. In the event that the Settlement shall not be consummated pursuant to its terms, the Settlement Agreement, except as otherwise provided therein, including any amendment(s) thereto, and this Order Preliminarily Approving Settlement and Providing For Notice, shall be null and void, of no further force or effect, and without prejudice to any party, and may not be introduced as evidence or referred to in any action or proceedings by any person or entity, and each party shall be restored to his, her or its respective position as it existed prior to the execution of the Settlement Agreement.

23. The District Court retains exclusive jurisdiction over the action to consider all further matters arising out of, or connected with, the Settlement.
