FOR THE WESTERN DISTRICT OF MISSOURI  
CENTRAL DIVISION**

TODD JANSON, GERALD T. ARDREY, CHAD M.  
FERRELL, and C & J REMODELING, on behalf of  
themselves and on behalf of all others similarly situated,

Plaintiffs,

v.

LEGALZOOM.COM, INC.,

Defendant.

Case No. 2:10-cv-04018-NKL

**JOINT MOTION FOR EXTENSION OF TIME TO FILE  
MOTION FOR PRELIMINARY APPROVAL OF SETTLEMENT**

Pursuant to Fed. R. Civ. P. 6(b)(1)(A), the parties jointly move the Court for an extension of time of four (4) days in which to file the motion for preliminary approval of settlement in this case, until Tuesday September 27, 2011.

1. On August 12, 2011, the parties informed the Court that a settlement had been reached in this case. In a Minute Sheet entered August 12, 2011, the Court set a date of September 23, 2011 for filing of a motion for preliminary approval of the settlement. (Doc. 192.)

2. The Settlement Agreement involves a number of complex issues, including differing levels of compensation to class members depending on when their transactions took place and prospective changes to defendant's business practices. The parties have diligently negotiated the terms of the Agreement and exhibits, including various forms of notice. A few provisions require additional time and effort to finalize. The parties believe they are close to

final resolution of all issues and are confident they will be able to file a motion for preliminary approval of settlement within the extended time requested.

3. Neither party has previously requested an extension of time in which to file the motion for preliminary approval of settlement. This joint request for an extension of time is not made for purposes of delay and will not result in prejudice to any party.

For all the foregoing reasons, the parties respectfully request that the Court enter an Order granting this joint motion and extending the time in which to file a motion for preliminary approval of settlement in this case by four (4) days until September 27, 2011.

Respectfully submitted,
