Tools Help

This page lists all of the Lightspeed Content Database categories. These categories are referenced in your policies to control who can or can't access associated websites (**Content Filtering Policies**) or programs (**Security Agent Policies**).

[Click here to modify or create Security Agent policies](#)
[Click here to modify or create Spam Mail Blocker properties](#)
[Click here to modify the Default Content Filter Category Property Set](#)

A custom '**Blocked Access**' message page can be assigned to each category, if desired. Click on a category's associated EDIT function to supply an alternate redirecting URL.

Custom categories can be added to this list by using the **Add Category** Toolbox utility.
