**ORDER**

For reasons set forth in the Government’s Motion to Dismiss (Doc. 3), movant’s motion for reduction of her sentence (Doc. 1) is DENIED. The motion to dismiss (Doc. 3) is GRANTED.

Regarding her expectations that the sentence would be reduced, because of cooperation, the agreement plainly stated that the prosecution evaluation of “substantial assistance” was to be made solely by the prosecutor, not by the judge. This is in accordance with law governing such motions. The court has no authority to grant relief without a motion from the Government.

Any request for a certificate of appealability will be DENIED.
