Order

Third-Party Plaintiff Signal Peak Energy, LLC, and Third-Party Defendant 3 Solutions, LLC, have filed a stipulation to permit the withdrawal of 3 Solutions’ motion for summary judgment (Doc. 43), 3 Solutions brief in support of its motion for summary judgment and in opposition to Signal Peak’s motion for summary

judgment (Doc. 44), and its statement of undisputed facts and statement of disputed facts (Docs. 45 & 46). For good cause appearing,

IT IS HEREBY ORDERED that 3 Solutions' motion for summary judgment and its brief and pleadings in support thereof (Docs. 43-46) are **WITHDRAWN**. 3 Solutions may file a response to Signal Peak's motion for summary judgment (Doc. 40) as provided by L.R. 7.1(d)(1)(B). Since Signal Peak filed a supplement to its statement of undisputed facts on November 8, 2019 (Doc. 48), Signal Peak's motion for summary judgment will be deemed to have been filed on that date for purposes of scheduling 3 Solutions' response to the motion.

DATED this 12th day of November, 2019.
