UNITED STATES DISTRICT COURT(S)
FOR THE DISTRICT OF COLUMBIA, AND ALL 50 STATES

1:17-cv-03608

To Whom It May Concern,

The Following Letter Contained within is Written on the Behalf of the Children in question, and myself, the children's Biological Birth Mother. I would like to inform the court(s) about my current situation, and a little bit of wisdom, I have gained throughout this process. Not only was it my actions but also my way of thinking that got us here today, It has also brought me to places I have never dreamed of being. I am Grateful for this experience even throughout the worst of days. To see only Beauty in such a dark place, the strength, and the courage it takes to continue on this path full of pain and heartache is truly a Blessing in Disguise.

Let it be known, I understand how some of you may think it to be selfish of me, to continue working on bettering a future for my children, myself, and all those around me, that get placed in my life. Even though my children have been forced into becoming accustomed, to living in a home/ environment which is not their own. There may have been a time when my children needed to be with my aunt and uncle, but that time has long passed.

I am Still Here today after all this time, because I love my children, with everything inside of me I will always be their rightful home. I may not know what I am going to do for the rest of my life, but I know who I am to be; that is the best mother I can be, for all Three of My Children. For I shall not keep them away from those who love them, I shall teach them to love and forgive instead.

Before I take up to much more of your time, I would like to Thank You for your time, and apologize for a few mistakes on my part contained within the following papers , on the out of date complaint, Defendant No. 2 and No. 9 zip code corrections are 59601, and 59702. Most papers contained within have been pre dated from the day written and printed; all paper documents contained within been sent U.S. Postal Mail on the same day. Willing to Drop all \$ Relief if Defendants comply.

The most beautiful thing in life is the ability to learn and grow; to value life is to value Love. May you all be able go home tonight and love your family with a little bit more love from inside your hearts. Love is a gift one should always give away. Sincerely We Thank You, For Our Rights To Be Happy.
