Mr. Santangelo,

Fort Peck Paleontology, Inc. has been unable to hold a board meeting that has met quorum requirements and is therefore asking for an extension of the original June 30<sup>th</sup> response. The board has been unable to ascertain the validity of the accusations in your letter dated May 7, 2010. We will continue to investigate these claims. The Fort Peck Paleontology, Inc. board will endeavor to respond to your letter by July 31<sup>st</sup>.

Sincerely,

Dick Barsness
