Third Floor  
Fort Collins, Co. 80521

Re: Black Hills Institute Accusation Letter:

Sir:

The short duration of time for a reply to the Black Hills Institute Accusation letter does not give Fort Peck Paleontology sufficient time to respond to the letter. Fort Peck Paleontology response to the allegations will be in your hands by June 30, 2010.

Sincerely,

Dick Barsness, Treasurer, Fort Peck Paleontology
