Mike Spreadbury's Summary

approximately 10 years experience in secondary science teaching at therapy schools, specialty schools, private schools, and public high schools

Michael has touched many people's lives though his public service in geology, in teaching, and disaster recovery

Michael is currently trying his hand at civil rights law in state and federal courts in Montana

An experienced writer, and consultant, he hits most challenges with both feet on the ground running

Specialties

disaster mitigation via geological knowledge, writing, instruction, civil rights law, trying to suck marrow out of life

Mike Spreadbury's Experience

Chief Barrister

Spreadbury Law

April 2010 – Present (1 year 8 months)

Civil rights plaintiff seeking relief from intentional infliction of emotional distress, and civil rights violations which derailed my life. These are the largest civil rights suits seen in the state of Montana.

Principal Geologist

Windriver Geosciences

January 1996 – Present (15 years 11 months)

include mineral prospecting, underwater timber salvage. Projects went full scope from proposal, cost estimate, to deliverable reports

was getting ass kicked

Justice in Bitterroot

2007 – 2010 (3 years)

Project Specialist

Federal Emergency Management Agency (FEMA)

June 2006 – June 2008 (2 years 1 month)

Disaster restoration of infrastructure. Award for production, and exemplary service.

Science Teaching jobs

University of Montana School of Education

August 1997 – June 2006 (8 years 11 months)

diversified education experience at public, private, and specialty schools throughout the US, and an American School in Mexico. I have a strong ability to reach students, some who have never been able to achieve in a school setting. This translates into good ability to train fellow employees, and take instructions well from employers, colleagues, ect.

Geologist

RLK Hydro

1996 – 1997 (1 year)

Steam, groundwater study analysis, forensic hydrology, game farm impacts to the public.

Lin

Volunteer Hydrologist

US Geological Survey

January 1995 – 1996 (1 year)

Developing wells, digitizing data, field work

Staff Geologist

Geotechnics Inc

1995 – 1996 (1 year)

Logging of downhole test borings for housing subdivisions. Forensic Engineering study.

Mike Spreadbury's Education

Lehigh University

Bachelors Earth & Environmental Science, Engineering, Geology

1989 – 1993

runner, frisbee lover, consultant for resource extraction and location, dog lover, hammock time enthusiast, justice seeker, lover of observing butterfly flight, sounds of rushing water in remote mountain creeks.

Activities and Societies: Civil Rights Advocate

Lehigh University University of Montana

Bachelors, Geology 1994 Secondary Science
